

... AND NOW THERE ARE SEVEN contestants in the bathing beauty contest to be held in conjunction with the annual Tinley Park Fall Festival. This is a new feature of the festival and appears to be commanding considerable attention. The committee in

charge expects many more to enter. Those pictured here (l to r) are: Patricia Cupp, Sharon DeGuillo, Gloria Bettenhausen, LaVern Sternquist, Robertalee Nolte, Marcia Ann Szaton and Mary Ann Daniuk. (Marvin Smith photo)

Commuters Speak

Hoover Fights Wabash Rate Boost

(CNS) The Wabash railroad has lost more than \$140,000 annually in providing commuter service into Chicago from Orland Park, Palos Park, Worth, Chicago Ridge, and Oak Lawn, railroad officials said Tuesday at a hearing before the Illinois commerce commission in Chicago.

The line is seeking a minimum fare of 30 cents, or 5 cents more than now charged. It also seeks authority to eliminate 46 and 54 ride tickets and hike the price of 10 and 25 ride tickets 30 to 90 per cent.

Opposition to the railroad's proposals was voiced by State Representative Harold A. Hoover, on behalf of the southwest suburban communities.

"The Wabash is entitled to a reasonable fare increase but not as much as it's asking," Hoover told ICC Examiner A. D. Robertson.

Hoover said the railroad's trains are hot and dirty, and sometimes get

held up as much as 20 minutes waiting for thru trains to St. Louis to pass sections of single track.

The suburbs are served by a train which leaves Orland Park daily except Sunday at 6:05 a.m. and arrives at Chicago's Dearborn station at 7:10 a.m. A second train leaves Chicago at 4:40 p.m. and arrives at Orland Park at 5:32 p.m.

Three Oak Lawn residents joined Hoover in opposing the proposed changes. They are M. F. Reed, 9708 50th court, Frank J. Bendix, 9633 S. Tuley ave., and Theodore Coughlin, 5310 W. 96th street.

All three opposed the railroad's plan to drop 46 ride tickets. They also charged that the service is poor and the trains are "like ovens" during the summer months.

John A. Barrett, Wabash passenger traffic manager, said the fare hike is the first sought by the railroad since 1949. The hike would amount to less than

\$2 a week per commuter, Barrett said.

Railroad officials estimate the additional revenue to amount to \$32,751 annually.

No 54 ride tickets were sold during 1957 and the first six months of 1958, said Harvey E. Dixon, the road's assistant passenger traffic manager. The 46 ride ticket has averaged 13.95 per cent of the total commutation tickets sold over the same period, he added.

Attorney John L. Davidson, Jr., represented the Wabash at Tuesday's hearing.

He said the line serves approximately 320 to 350 commuters daily.

The proposed 10 ride ticket rate between Chicago and Orland Park is \$7.75, compared to the present \$4.64 figure. A \$17.85 fare is proposed for a 25 ride ticket between the two points compared to the present \$9.85 rate.

The railroad's proposed changes will be taken under advisement by the full state commission.

Hold Discussion on Village Planning

At a joint meeting of the village trustees and planning commissions of Frankfort and Mokena, last Friday evening, it was decided that it is desirable to employ a firm of professional planning engineers to lay out a scientific engineered plan for the growth and development of the two villages.

The planning commissions of both villages expressed themselves as being particularly pleased with the manner in which the village trustees and the Mayor, George Sangmeister of Frankfort and Mayor James Marti of Mokena have been cooperating in this work of preparation.

It was pointed out that with an engineered plan of growth, these villages jointly, will be able to insure against substandard housing within a mile and a half of their limits. By working together, the two villages can control a large area. The subdivision growth of many villages

around Chicago was shown as an example of what happens to areas which do not have controls. Many real estate subdividers are interested only in selling of lots and houses as quickly as possible and with little effort in the way of planning of streets, schools and parks for the area to be subdivided and little or no controls over the types of housing which is built, it was pointed out.

The planning engineers lay out areas which because of their particular location are suitable for industrial use and those which are suitable for residential building. Streets and roads are planned so that they will properly intersect rather than in haphazard manner to suit the particular subdivider.

It was explained that some real estate developments are made with clay streets and no careful plans for water or sewer, etc. and lots then sold for a few hundred dollars.

Such lots, it is said, attract those who would construct what would normally be substandard houses. Often the owners of such homes, at the outset, are ambitious young persons with eager ambition to construct a home that will serve their purposes until they are able to accumulate enough funds to step into better housing, it was stated.

"It is not the first owner of such housing that brings on the real troubles of social down grading and juvenile delinquency, but the second and third buyers of such properties," a spokesman said. "The cost and availability of such housing, attracts residents that are not desirable to a community of this sort. Depreciation of property values quickly follows such uncontrolled developments."

Adam Heusner of Frankfort brought out the point that the national government is so anxious for controlled planning of villages that it will pay one half of the cost of

such planning engineer's work for villages and cities of under 25,000. The cost of this work to Frankfort and Mokena jointly, will be \$8,300.00 with \$4,150 to be paid by the government and the balance to be divided equally between the two villages or \$2,075 each.

Mr. Heusner suggested that with proper planning, parks and schools areas could be laid out on the basis of probable growth and population and that subdividers could be convinced of the desirability of dedicating five per cent of the acreage to such schools and parks. The cost of such areas when purchased by the villages, as they must be when the population requires these developments, would be far more than the small sum being paid out for the work of the engineers.

It was also brought out that presently, subdividers need only meet the zoning and subdivision requirements of Will county and that these are

minimum requirements of small cost. Comment also was to the effect that Will county has regulations and controls that were set up many years ago and not suitable for present needs.

All villages need industrial development, to lighten the tax load of residential areas, it was brought out. This is now very well known in some of the Chicago suburbs which tried to keep out industrial development, a spokesman declared.

It was also brought out that railroads and industrial concerns are very much interested in orderly planning of growth. Better industrial organizations employ what are known as industrial locators to seek out desirable locations for their plants and that one of their first inquiries is as to whether there is a land use map for that village with suggested limitations on locations of residential and industrial properties, it was stated.

REVIVE NEW LENOX SEWERS

Fall Festival at Tinley Park Starts Aug. 29

Tinley Park's annual fall festival, sponsored by the Recreation Commission, will be held Aug. 29 and Sept. 1 in Memorial park.

A variety of activities is planned for the festival, with a queen to be crowned Aug. 31. A parade will be held at 1:30 p.m. on the final day of the event.

The program also will include midget automobile races presentation by a hypnotist, carnival rides, booths and exhibits, a pet contest and a fire works display.

The queen contest is open to any young women between 18 and 22. There are no other contest requirements. Girls in the area are invited to attend. A trophy and a wardrobe will be awarded the queen. Entries may be placed by calling Everett T. Earley, contest chairman at Kellogg 2-4846.

Henry Bettenhausen is general chairman for the festival. Assisting him are Jack Spiegelman, Joseph McCarthy, Wayne Ackerson, and Mike Haber.

Will Change Lot Requirements at Orland Park

The Orland Park village board agreed Monday to the recommendation of the Plan Commission that an amendment be made to the zoning ordinance.

When amended the ordinance will stipulate lot areas for home must have a minimum of 10,000 square feet in area and buildings must be six feet from lot lines.

Previous requirements were 7500 square feet in area and five feet from lot lines. The change will apply to future subdivisions.

Village attorney, Raymond Pieper, will draft an ordinance covering solicitors and peddlers as requested by trustee Joseph Lebens, chairman of the license committee.

The number of dogs in the village for which licenses have not been obtained is of great concern of Trustee Lebens, because of the fact it is the only method by which the board can govern rabies shots for dogs. Police are to check dog owners.

Discussion was held regarding placement of water meters but no conclusion was reached, although it was indicated the board may approve a change to bring them inside of buildings. A recent ordinance stipulates that water meters be placed on the outside for easier reading and to reduce the chances of tampering with

(Continued to page 2)

Engineer Says Use of Oxidation Pond Will Make Plan Feasible

Prospects of a sewer system for New Lenox have been revived by the village board. This time, in order to reduce costs to where the project would be within the means of the community, it is proposed to use a lagoon or oxidation pond for treatment of sewerage instead of the conventional type of treatment plant.

The lagoon system, L. E. Woodman, engineer, told members of the New Lenox village board, does not give off any objectionable odors. Woodman said that he had visited such lagoons and sniffed from all directions—near and far—with out getting any offensive smells. He added that one such lagoon that he knows of is used by ducks and other waterfowl in the course of their migration.

By using the lagoon system, Woodman said, the cost of sewers for the incorporated area of New Lenox, exclusive of a few properties, where either excavating costs or distance would make it unprofitable to serve, would be cut from \$915,000 to \$593,000.

Woodman figured that the village could get a grant from the federal government of \$39,000 which would bring the estimated cost down to \$534,000.

To pay for it, Woodman said the village could issue \$128,000 of general revenue bonds and approximately \$406,000 in revenue bonds.

He stated that the \$128,000 in G. O. bonds would mean a tax increase of approximately \$15.50 a year to the average property owner.

He added that if the revenue bond issue was \$406,000 the cost per month to New Lenox households would be \$6.25 per month.

This \$406,000 figure contains 10 percent for contingencies and 10 percent for possible increases in material and labor and other charges. If costs are lower than anticipated it is possible that these estimates could be eliminated and if that happened the charge per month could be reduced from \$6.25 to less than \$5 per month, Woodman pointed out.

Woodman is a member of the firm of Woodman and Baxter, engineers, of Crystal Lake. They were employed by the village last year to make a survey and draft preliminary plans for a water and sewer system. They were paid for this work by a federal grant of \$11,000.

The firm really did more than the work called for in their contract. They

Dedication of Park a Highlight of Community Picnic at Mokena

Leo Marcoux will serve as master of ceremonies at the dedication of Mokena's Community park Aug. 24 as a part of the community picnic sponsored by the Mokena Lions on that date.

Also appearing on this part of the program will be Mayor James Marti and Charles Swanberg, president of the park commission, honorary chairmen; George Bills, president of the Lions club and Ray Hoolahan, head of the Mokena Civic Association. The Boy Scouts, under the direction of Scoutmaster Arthur Omland will participate in the flag raising ceremony.

The community picnic is expected to also serve as a homecoming and many former residents of the Mokena area are expected to attend.

The picnic, the races and games for youngsters, a baseball game, and naturally the dedication ceremonies, will all take place at the park.

A number of booths will be set up in the park grounds and organizations interested in being represented may communicate with John Williamson or Mr. Omland.

The women of St. Mary's parish, who serve the monthly dinners for the Lions club

at the Social Center, will operate a refreshment stand; the Mokena volunteer firemen will have a "ham and bacon" booth; the Holy Name society of St. Mary's will have a game stand and Otto Stadel, president of the Mokena Chamber of Commerce, says that the businessmen will conduct something unique in horseshoe pitching.

The baseball game will see the Old Timers pitted against some of the younger talent to be recruited by Tom Geary. The Old Timers include: George Bennett, Wesley Campbell, Don Gundling, Phil Hacker, Bob Hohenstein, Chuck Hurley, John Marti, Willard Martie, Bill Muehler, Harold Sayers, Al Sorensen and Dave Tierney, of Mokena; Harold Homerding, Blue Island; and Harry Harnack and Harold Cheney, of Frankfort.

Police Magistrate John Balaz will be the umpire.

On Aug. 13, 1918, Private Opha M. Johnson became the first woman to be sworn into the Marine Corps Women's Reserve.

"Ignorance is so hard to conceal because people always try to hide it in a public place."

Pay Last Tribute to William McVey at Burial Today

Fourth district Congressman William E. McVey, 72, was buried in Galesburg today.

Funeral services for the legislator, who died in Washington, D. C. of a heart attack Sunday, were held in St. Clement's Episcopal church, Harvey, yesterday.

Washington paid homage to the Republican Congressman at services held there Tuesday. Dr. McVey who served as superintendent of Thornton township high school and Junior college for 27 years, and later as professor of education at DePaul university, was first elected to Congress in 1950 and was completing his fourth successive term. He was a candidate for re-election in November.

He would have run against Leland Rayson, Democrat, of Tinley Park, an attorney, who issued this statement when he heard of the death of the popular congressman:

"I would like to express my sorrow on hearing of the untimely death of Congressman McVey. He was a respected and competent gentleman whose years of public service will long be remembered by his legion of friends. He was dedicated to his tasks and he was conscientious in his beliefs."

His statement reflects the esteem in which Dr. McVey was held by all who knew him. His long public service record included the presidency of the Harvey Memorial YM-C.A., a member of the board of directors of Ingalls Memorial hospital, and president of the North Central Association of Colleges and Secondary schools.

He also served as division superintendent in the Philip-

Truck Travels too Fast in Fog Three Persons Taken to Hospital

Three vehicles were involved in a collision in the dense fog Tuesday morning on U.S. 30, about a mile west of U.S. 45. Two of the vehicles met head on and the three occupants were taken to Silver Cross hospital.

Two of the injured, Jake Kropf, 63, and his wife, Fannie, 57, of Dennison, Ia., were conveyed to the hospital in the Baskerville ambulance. The driver of the truck, Leroy Venters, 29, of 115 Hammes ave., Joliet, was taken to the hospital by a passing motorist.

Venters, a salesman for the Peter Wheat Bakery, Joliet, was traveling east on U. S. 30. According to the report of State Troopers Robert Wood and Joseph Johnson, Venters passed an east bound car, driven by John Landahl, of 17222 S. 69th ave., Tinley Park and crashed head-on into the west bound car driven by Kropf. After the collision the bakery truck bounced into the left side of Landahl's car. Landahl was shaken up but apparently escaped injury.

Fog made visibility poor, it was reported, and state troopers gave Venters a ticket charging him with driving too fast for conditions.

Two men were injured Sunday night about 11:30 when the sports car in which they were riding struck an embankment on Wolf road at 191st st. They were taken to Silver Cross hospital in the Baskerville ambulance.

The car was driven by Frank E. Kuciver, 24, of Clarendon Hills. His passenger was Arthur Sycora, 40, of Cicero.

Kuciver was driving west on 191st, which ends at Wolf road. He failed to heed a stop sign and the car flashed

across the pavement and crashed into an embankment on the west side of Wolf.

They were given first aid by Dr. P. T. Demus before the ambulance arrived and Kuciver was given a ticket by State Trooper T. S. Tribe, charging him with running a stop sign.

A Mokena resident, Mrs. Dorothy Roesner, 27, of 106 Midland ave., was involved in a collision Sunday afternoon at the intersection of Bruce and Parker roads in Homer township. Mrs. Roesner was driving west on Bruce and at Parker collided with a car driven north on that thoroughfare by Paul C. Jorgensen, 33, of 828 Gage st., Joliet. None of the occupants was reported injured. State police report that growing crops and vegetation block the view of approaching motorists at this intersection.

Pesky Starlings Eliminated by Mass Shooting

Anyone driving thru Frankfort Monday evening could easily have thought that a civil war was in process by the sound of continuous shooting. But such was not the case. It was only a startling extermination party with around 50 townspeople participating.

The many tall trees in the public school yard have proved a good place for starlings to roost. They became such a nuisance that people began to complain that one could not walk thru the school yard or park their cars on streets surrounding the school without having them "covered all over with violets."

The school board asked permission of the village board to designate a certain evening, with as many of

Insect Bite Puts Girl in Hospital

Hospital treatment is being given to 16-year old Sandy Hrdina, at the Chicago Orthopedic hospital because of an infection on the leg, caused by an insect bite.

Sandy is the daughter of Mrs. Peggy Hrdina, 16902 Elm Lane drive, Tinley Park.

Fire in Barn Damages Fifty Bales of Hay

About 50 bales of hay were damaged in a barn on the Louis Holm farm, 143rd st., west of Wolf road Wednesday morning when a conveyor belt smoldered while transporting hay to the barn.

The fire was quickly extinguished by the Mokena fire department. The Orland Park and Tinley Park fire departments also responded to the call.

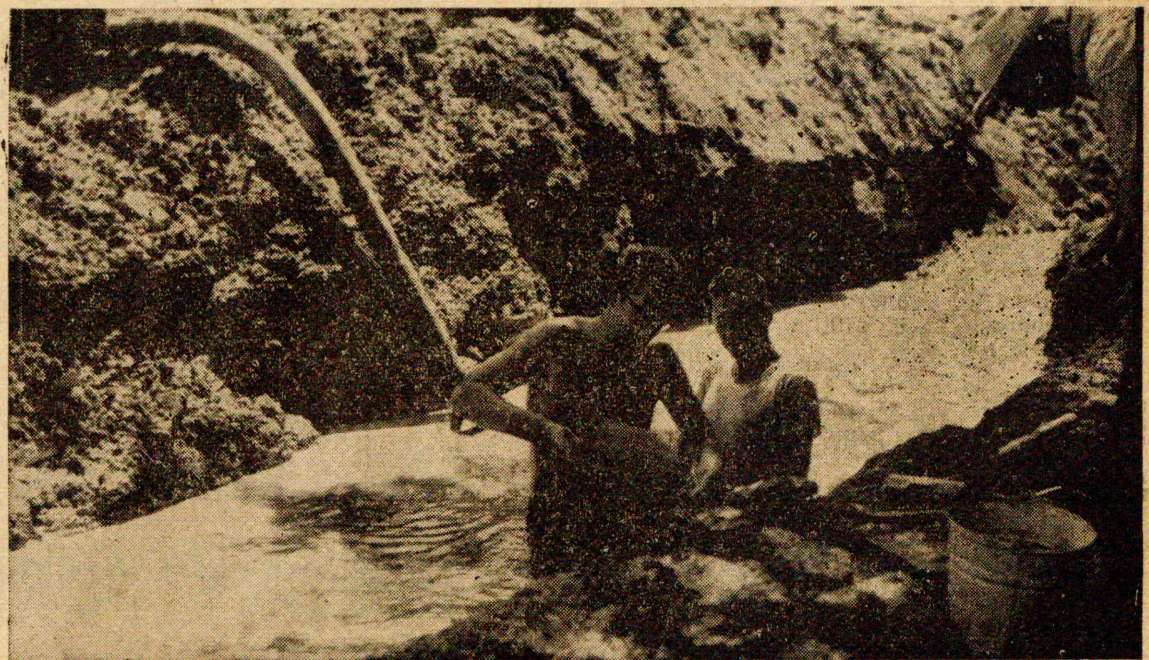

Glenn Warning Appointed to Frankfort Board

The members of the Frankfort village board, at their meeting Aug. 4, appointed Glenn Warning to fill the vacancy on the board created by the death recently of William Weitendorf.

Warning was chosen by the board because of his experience previously when he served as a village trustee.

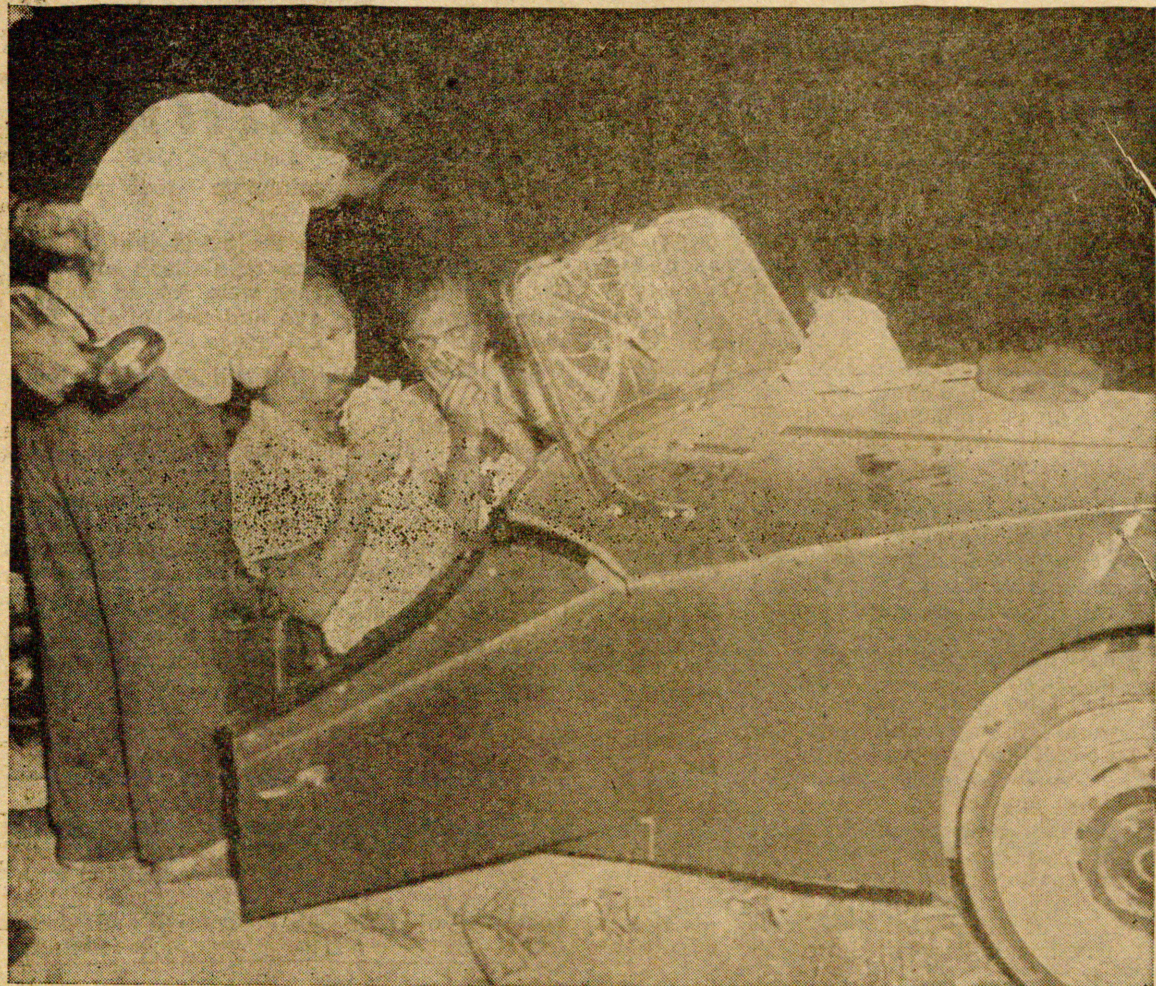

The village residents assisting, and try to shoot as many as possible of the annoying birds. That was what happened last Monday night and again Tuesday night.

It was reported that one man felled seven birds with one shot. In all there were four bushels of birds gathered after the melee ended Monday evening.

NO SOOTHED, COOL FEELING HERE despite the fact that Tuesday was a hot day indeed and the water in which these men are standing was on the cool side, the pair was really doing a slow burn. While excavating for the sewer on Front street, Mokena, a six-inch

water main was broken and before it could be shut off, it had filled the trench to the depth shown here. To make repairs the two men shown here practically had to swim to work. A dropped wrench would have meant a dive. (Marvin Smith photo)

IGNORED STOP SIGN and pair lands in hospital. Dr. P. T. Demus of Mokena is shown giving first aid to Arthur Syco, 40, of Cicero, a passenger in a sports car driven by Frank E. Kuciver, 24, of Clarendon Hill, seated in the left side of the car. State Trooper Stuart Tribe gave Kuciver a ticket for running a

stop sign at 191st and Wolf rd., just north of Mokena. The car came to a stop, however, when it struck an embankment on the west side of Wolf road. The accident occurred about 11:30 o'clock Sunday night.

(Marvin Smith photo)

John Pfrommer Dies Suddenly; Funeral Today

John Pfrommer, 66, died early Tuesday morning in his home, 52 N. Wolf road, Mokena, of a sudden heart attack. He had been feeling in good condition, outside of some asthma. The Mokena inhalator was called when he suffered difficulty in breathing, but to no avail.

He was born in Chicago Oct. 27, 1892 where he lived until he and his wife moved to Mokena in 1942. Mr. Pfrommer was employed by the CTA in Chicago as a conductor for 39½ years, until he retired last November. He was united in marriage with Mrs. Louise Henderson Feb. 3, 1934. His first wife died several years previous.

Surviving beside his wife, is his mother, Mrs. Anna Pfrommer, 90; a daughter, Mrs. Lillian Egness, Mokena; son William of Markham; a step daughter, Mrs. Dorothy Gruiver, Chicago; three sisters, Mrs. May Jutzi and Mrs. William Schieselbein, Chicago; Mrs. Minnie Ochmann, Fox Lake and a brother William, Chicago and eight grandchildren.

Removal was made to the Hirsch chapel in Tinley Park. Services will be held in S. T. John's United Church of Christ Mokena this afternoon at 2 o'clock with the Rev. William Riemann officiating. Burial will be in Mt. Greenwood cemetery.

ENGINEER SAYS—

(Continued from page 1)
turned in plans that are almost complete and submitted estimates of costs of the sewer and water systems together and separately and covering just the village and the surrounding area.

Woodman told the board last week that his firm is willing to go ahead and spend a couple of thousand dollars and complete the plans so that bids can be taken on the proposed sewer system. Such bids would be in force for 60 or 90 days. With bids, the exact cost would be known and bonds issued accordingly.

Mayor Lloyd Berlin told board members that state officials have informed him that the time is not far off when communities in the Joliet area will have to treat sewerage, that tiles entering Hickory creek will be cut off.

New Lenox is in great need of sewers and village officials are hopeful that the plan proposed by Woodman can be worked out.

The Will county board of supervisors and the Will county health department have banned oxidation ponds in unincorporated territory so New Lenox plans to get an option on land that can be annexed to the village and thus be outside the jurisdiction of the county bodies.

The county has taken a stand against oxidation ponds because of the one in use at a subdivision near Lockport. The one there does not give off objectionable odors, according to information given the New Lenox board, but is considered unsightly and be-

ave., Raney's Lane, Irving, 147th and 146th sts.

The board adopted a tax levy ordinance amounting to \$62,265.

Because of complaints by residents that the 50 to 55 mile an hour speed limit on route 45 within the village limits, should be reduced to 45 miles an hour, the board will contact State officials to have the speed limit reduced.

Registration for Kindergarten to be Held at Oakview Aug. 15

By DELORES ANDERSON
Phone New Lenox 3651

Kindergarten children may be registered at 1 p.m. Friday, Aug. 15 at the Oakview school. Parents should submit a birth record of the child (hospital record is acceptable). A charge of \$2 will be made to cover the cost of materials and books to be used during the year.

Parents who are unable to make registration for their children on this day, can do so the first day of school between 9 and 10:30 a.m. John Oster, school superintendent, requested that children not be brought to school with parents when registration is made.

Children should have had physical and dental examinations before the first day of school. Proper record forms for this purpose may be obtained at the school office any morning except Saturday and Sunday.

The New Lenox grade schools will open Tuesday, Sept. 2, at 9 a.m. On the first day the classes will be in session until 10:15 only. The bus which operates in the rural area will leave the Oakview school at 11 a.m. More detailed information relative to the bus schedule will be issued later.

Mr. and Mrs. Robert Sparks entertained Thursday night at a going-away dinner for Mr. and Mrs. August Lynk, who left Monday for their new home in Camdenton, Mo.

Miss Kathy Embling, bride-elect, entertained last Saturday night at supper and slumber party for her bridesmaids, in the home of her sister, Mr. and Mrs. Robert Sparks. She presented each with a gift. Guests were the Misses Lynn Heptig, Jean Rowswell, and Virginia Zeigler.

Mr. and Mrs. John Novak and daughter Donna and son John Jr., of Reading, Pa., arrived here Saturday to spend a week with his mother, Mrs. Marie Novak, Oak st. They were dinner guests Tuesday night in the home of Mr. and Mrs. Jack Glade and daughter in Manhattan.

Mrs. Dale Krohn and children Billy, Donald and Diane, Mrs. LaVerle Mackay and children, Mrs. Herbert Minger, and Miss Ruth Minger, spent Tuesday at Miller Beach, Ind.

The annual Batson family reunion will be held Sunday, Aug. 17 at Dellwood park in Lockport. Pot luck dinner will be served at 12:30 o'clock.

Mrs. Lashia Konoka and children, Roman and Irene of Buffalo, N. Y., are guests this month of Dr. and Mrs. Leo Murskyj and family.

Mrs. Edward Berens will entertain the members of the New Lenox unit of Home Bureau in her home, southwest of New Lenox, Friday, Aug. 15, with Mrs. August Pape as co-hostess. Pot luck dinner will be served at 12 o'clock.

Mrs. Ernest Jenkins and children Edwina and Andrew, returned Monday by plane, from Brownsville Junction, Maine, where they spent three weeks vacationing with her parents, Mr. and Mrs. Errol Estes, and family.

Mrs. Beverly Sievert and children, Steven, Lee, Danny and Susan and Miss Mildred Schroeder are vacationing at the dairy farm of the former's brother, Beldon Schroeder in Arkdale, Wis.

Russell S. Gilmore has been named to the dean's honor list at Texas Christian university at Ft. Worth. He is

majoring in the art and sciences.

Miss Julie Thieme, granddaughter of Mrs. Amanda Fink and who was graduated from the Luther high school, 87th st., and Kedzie ave., this year with high scholastic record, plans to enroll in DePauw university at Green Castle, Ind., in September. She plans to major in literature and English, and try for a career of a writer. Miss Thieme is the daughter of Mr. and Mrs. Fred C. Thieme of Homewood, her mother being the former Julia Fink of New Lenox.

Mr. and Mrs. Leonard Waring and sons John, Kurt, and Karl, returned Sunday night from a 5,000 mile vacation trip to the southwestern states. They visited Carlsbad caverns and White Sands, New Mexico; Grand Canyon in Arizona; Zion and Bryce National parks and Cedar Breaks National monument, in Utah. Enroute east they stopped at the Arches National monument and Mesa Verde National park where they saw the prehistoric ruins built by the Indians, and visited the Cliff dwellings, also the Royal Gorge, at Canyon City, Colo., climbed Pikes Peak at Colorado Springs, by Cog rail. They motored to the Lake of the Ozarks, Mo., where they spent two days before returning home.

Mr. and Mrs. John Vrba and family, 114 Oak drive, have returned from a 6,300 mile motor trip to California. Enroute they visited Yosemite, Sequoia, and Kings Canyon National parks; in Claremont, Calif. visited for a week with her sister, Mr. and Mrs. John Gilbreth and family. Enroute home they stopped to visit the Grand Canyon, Petrified forest, the Painted Desert, and Boulder dam.

Mr. and Mrs. Lawrence Carl son and son Ken have returned from a two weeks trip to Phillips, Wis. and Minong, Wis. Enroute they stayed at the Wisconsin Dells, and enjoyed Tommy Bartlett's Water Show and a boat trip.

4-H NEWS

RICH GO-GETTERS
The Rich Go-Getters 4-H club met in the home of Elaine and Lyla Harms with Carol Feigel presiding. The main item on the agenda was the swimming party. The club decided to go to the Indiana Sand Dunes, Aug. 17. Meet at Myra Kampe's home at 10:30 a.m. to leave. Lyla Harms and Sharon Kohl will plan a picnic lunch. Final plans were made for the fair, to be held Aug. 16 at Ruby's woods. Lyla

AT 4-H PLOWING MATCH—

There were nine contestants in the annual plowing match conducted for South Side 4-H members by the Cook county farm adviser's office. Assistant Farm Adviser William F. Whiteside, in charge of the Farm Bureau office at Tinley Park, is in charge.

The plowing match was held last Saturday on the Hilbert Schultz farm, 149th and Central. Results will be announced at the South Cook County 4-H fair this Saturday.

In the picture above Earl Bettenhausen, one of the contestants, is kneeling down to make an adjustment on his plow after making three of the eight rounds required. The thirsty young man (left) is another Bettenhausen—Larry.

The judges have many points to consider in selecting winners. Prizes for the contest will be furnished by Yunker Implement Co., of Orland Park. (Marvin Smith photo)

Harms, Sharon Kohl and Myra Kampe will work in the food stand at the fair. Myra Kampe, Carol Feigel and Lyla Harms volunteered to make pies. Voting for the king and queen was held, and unsold 4-H tickets were returned. After the meeting a surprise bridal shower was held for the former Elaine Ebberts, Jr. leader. Games were played and refreshments were served. The next meeting will be held Sept. 2 at the home of Sharon Kohl at 8 p.m.

L-W Issues Annual Grid Call

Coach Lashmet Will Issue Equipment to Prospects on Aug. 23

A call for gridiron talent has been issued by Joe Lashmet, head coach at Lincoln-Way high school and first practice is scheduled for Monday morning, Aug. 25, at 9:30 o'clock.

Uniforms and equipment will be issued to sophomores, juniors and seniors on Saturday morning, Aug. 23. They are to report to the school gym between 9:30 and 12 noon.

Freshmen will receive their equipment the morning of Aug. 23. They are to report to the school gym between 9:30 and 12 noon.

Freshmen will receive their equipment the morning of Aug. 25, between 9:30 and

11:30 o'clock.

Boys eligible for the first game must have at least 15 days of practice, Coach Lashmet said, and he emphasized how important it was to attend all drills.

Coaches, in general, are not included in any list of optimists and Mr. Lashmet is no exception. He hopes to field a squad from which he can pick 11 or 22 men that will cause some trouble to other members of the Southwest Suburban conference and maybe pick up a victory here and there.

Sometimes coaches have been known to point with pride isolated instances but they always view with alarm.

Will-Cook Officials to Discuss Football Rule Changes Aug. 27

The Will-Cook Officials Association will hold its first football rules interpretation meeting of the 1958 season on Wednesday, Aug. 27, at 8 p.m., in the Chicago Heights city hall, 1430 Chicago ave.

Rules changes will be discussed by a representative of the Illinois High School Association. More than 40 football officials and coaches are expected to attend.

The Will-Cook Officials Association was founded last spring and is composed of football, basketball, baseball and wrestling officials from south Cook county, Will and Kankakee counties, and the south side of Chicago.

Officers are George Laird, Park Forest, president; Hale Swanson, Chicago Heights, vice-president; Jerry Neubauer, Crete, secretary; and Warren Kurth, Chicago Heights, treasurer.

204 Complaints Registered With Tinley Police

A total of 204 complaints were registered with the Tinley Park police department for the three month period from May 1 thru July 31.

The department handled 70 complaints on a variety of disturbances, besides acting in a conciliatory capacity in six family disturbance complaints.

There were 85 arrests made for traffic violations, of which 60 were for speeding.

There were 20 dogs picked up and impounded, according to the police report, and 10 dog bites.

The police responded with the fire department to 11 fire calls and ten inhalator calls, and handled ten automobile accidents, two of which were hit and run.

The remaining 103 cases handled by the police department were in 66 categories from children playing with matches to three burglaries.

Methodists and Lutherans Fight for Lead in Church Softball Loop

LEAGUE STANDINGS		times of the league entries.	
Methodist	7 1	W	L
St. George	6 1		
Reformed	3 5		
	0 8		

The Catholics played the Reformed church team last night but the results were not available in time for publication today. On Wednesday night of last week the Methodists came up with a late rally to down St. George 8 to 5. The Georges led, 4 to 3, until the fifth inning when back-to-back homers by Russ Andres and Don Gee enabled the Methodists to score five runs. Winans, first baseman for St. George paced his team's attack with three hits in three appearances at bat.

The chips are down tomorrow night when the Zion Lutherans and the Methodists meet in a game at 7 o'clock on Tinley Memorial park diamond. The two teams are leading the race in the Tinley Park Church Softball league and with only four weeks remaining in the season, every pop's a pigeon.

The Methodists are on top with seven wins and one loss, with the Lutherans breathing down their necks. The Lutherans have won six and lost two. A win for them tomorrow night would put them in a tie with the Methodists.

The Reformed are pretty much out of it and while it is possible, mathematically, for St. George to tie for first place it is not probable, according to those who follow the for-

Last Friday night the Lutherans nosed out Reformed in a pitchers duel, 39 to 7. The Lutherans found the gate open and drove right in. The first inning was a track meet with the victors pushing 20 runs across the plate.

Lenny Stein, Logan Rick and Wally Eggert, with the Zion team, each had four hits. Art DeGraaf, third sacker for the losers, had three hits in four times up to lead his team.

Wayne Cunduffs Open Pool to Children from Trinity School

Mr. and Mrs. Wayne Cunduff, 326 First st., have graciously offered their swimming pool for a party for the children of the Trinity school for retarded children and their parents. The party will be held this Saturday, Aug. 16 starting at 1 p.m. Refreshments will be served by the host and hostess.

A daughter was born to Mr. and Mrs. Don Reiter in Silver Cross hospital, Thursday, Aug. 7. The baby has been named Diane Denise and weighed eight pounds. Her brother Tommy and sister Carole welcomed her and their mother home Monday.

Mr. and Mrs. Marvin Smith were guests Sunday evening of Mr. and Mrs. Charles White in their home in Country Club Hills, near Tinley Park.

At the regular meeting of the VFW Auxiliary held last Thursday evening in their hall on Wolf road, Mrs. Grace Deming of Bensenville, fifth district president was present and addressed the group. She complimented the members for their splendid co-operating spirit.

The Auxiliary will sponsor a card party in their hall this Saturday evening Aug. 16 with Mrs. Amanda Schuldt as chairman assisted by Mrs. Olive Williams and Mrs. Grace Kopelman. The games will start at 8 p.m. followed by refreshments. The public is always invited to attend. The Auxiliary is planning to give a card party Oct. 11 the proceeds from which will go to the benefit of Trinity school for retarded children. Mrs. Bertha Ziesmen was named general chairman.

Mrs. Patricia Bernard was reinstated as an active member.

The WSCS will meet this afternoon in the Methodist social rooms with Mrs. Ralph Howell as hostess. Mrs. Berle Needham will have charge of the devotions and Mrs. John Balaz the program. The latter will be on "My life in the march of missions." Group two is requesting all members to bring their dime cards to this meetings.

Mrs. Vivian Shoop and daughter Susan are on a western motor trip.

Mrs. Eloise Erdham entertained at a breakfast in her home Tuesday morning.

Mr. and Mrs. George Siegel, Hiawatha st., have sold their home to Mr. and Mrs. John DeBore of Chicago who will move into their new home when the Siegels have vacated. The latter will move back to Chicago from where they came before moving to Mokena.

Tinley Fire Dept. Gives Oxygen to Heart Patients

The Tinley Park fire department responded to two inhalator calls last week, also to a call for help from a neighboring village.

On Sunday, Aug. 10, an emergency call was made to aid William McBurney of 6210 Kimberly drive, who recently returned from the hospital after suffering a heart attack. Oxygen was given to the victim and Dr. Helmut Feldman was summoned.

On Aug. 13, an emergency call was made to Raymond Davis of 5644 W. 175th st., who is suffering from hives and a heart condition. The fireman also gave oxygen to him and called Dr. Feldman.

On the same day, the Tinley department responded to a call for aid from the Mokena fire department. The barn which was on fire at 108th and 179th st., was extinguished when they arrived. The damage to the barn was minor.

As a friendly farewell for the Siegels, Mr. and Mrs. Fred Steinhagen entertained at dinner in the latter's home last Sunday. Beside the Siegels also present were Mr. and Mrs. Henry Shevlin.

Group two of the WSCS will sponsor a bake sale in the Cooper & Hostert garage, this Saturday starting at 2 p.m. Mrs. Barney Hostert is acting chairman of the sale.

Virginia Donaldson, New Lenox, And Iowan to be Married Sunday

Mr. and Mrs. Glenn E. Donaldson of New Lenox announce the engagement and approaching marriage of their daughter, Virginia Sue, to Dean M. Power, son of Mrs. Leo Pearson, Anamosa, Iowa, and Mr. Tona B. Power, Oswego, Ill.

Nuptial vows will be spoken by the couple at a 3 o'clock ceremony in the afternoon of August 17 in the New Lenox Methodist Church with the Rev. Alfred Hunter officiating.

Miss Mary Jane Donaldson will attend her sister as maid of honor. Best man will be Larry Stern, of Clinton, Iowa, and ushers will be Dave and Ed Donaldson, brothers of the bride, and Doran Power, brother of the groom.

All relatives and friends are invited to attend both the wedding and reception, to be held immediately following the ceremony in the church dining hall.

Miss Donaldson is a graduate of Joliet Township High School and Cornell College, Mt. Vernon, Iowa, where she was affiliated with the national honorary music society, Pi Kappa Lambda. She will be employed to teach music in the Crete-Monee School District during the coming school term.

Mr. Power was graduated from Anamosa High School, Anamosa, Iowa, and will receive his degree in secondary education from Cornell College in January. He is affiliated with the national honorary professional English fraternity Sigma Tau Delta, and is employed by Fort Dodge Laboratories, Cedar Rapids, Iowa.

Kathy Embling is Feted at Wedding Shower

Mrs. Robert Sparks and Miss Virginia Zeigler entertained in the Sparks' home one Cedar road, New Lenox, July 29, at a miscellaneous shower for Miss Kathy Embling, who will be married Saturday, Aug. 16, to Lloyd Dadds in the New Lenox Methodist church.

Miss Embling was presented a corsage of blue and white carnations. Novel games were played and prizes awarded the winners with duplicate prizes given to the honored guest.

Many lovely gifts were presented to her from beneath a blue and white decorated umbrella. Other decorations throughout the home were in blue and white, the chosen colors of the bride-to-be.

Refreshments were served buffet style from a table covered with a white linen cloth and centered with a bouquet of blue and white mums. Blue candles in crystal holders decorated either end of the table.

Those attending the party were the Mesdames Richard Millerin, Rhinehardt Stonitsch, George Turk, Albert Hawkins, Louise Marco, Loretto Maass, Frank Smolich, Martin Juricic, Angelo Di Domenico, Joseph Kovis, Jerry Krasovic, Walter Nurezyk, Ann Williams, Howard Dadds, Joseph Oleznick, Tony Petric, and Jack Embling, also the Misses Jean Rowsell and Lynn Hep-tig.

Tinley Gardeners to Meet Thursday

The Tinley Park Garden club will meet next Thursday Aug. 21 at the summer home of Mrs. Henry Duff at Lake Saugany, near Rolling Prairie, Ind. Members planning to attend are to meet at the home of Mrs. Ava Funk in Tinley Park at 9:30 a.m. to drive to the Duff home.

WHEN OVEN BLAZES
Don't be alarmed if your oven should catch fire. You can extinguish the flames quickly and easily by following the simple steps suggested by the Institute for Safer Living: (1) Close oven door tightly. Then turn off the fuel supply - either gas or electricity. (2) Now open door slowly. (3) Throw a handful of salt or baking soda on flames. Do not use water or try to remove contents. Note: Also use salt or baking soda to extinguish pan fires on top of stove.

When no dew follows a hot day, rain may be expected.

Mokena Couple to Hold Reception for Newly Married Pair

A wedding reception for their son, Pfc. Raymond L. Morris and his bride, the former Geneva Reynolds of London, Ky., is being given by Mr. and Mrs. Raymond Morris of Mokena Saturday.

The young couple was married in Kentucky Saturday. They plan to live in Louisville until the groom's term with the army at Fort Knox is concluded in about a year and a half. He is presently on a two-week leave.

At the reception to be held in Evergreen Park, friends and relatives will have an opportunity to greet the young bride.

Zion Ladies Aid Has Annual Picnic

The Ladies Aid society of the Zion Lutheran church in Tinley Park met Aug. 6 in the Tinley Creek woods for their annual picnic. Games were played by the mothers and children.

After the lunch Mrs. Norma Hayes, vice president presided at a brief business meeting when it was announced that a white elephant sale would be held next Thursday, Aug. 21 in the parish hall from 9 a.m. to 3 p.m. Coffee and cake and coffee cake will be served.

The society will celebrate their 50th birthday in September. A special program is being planned for the week of Sept. 21.

Mrs. John Johnson Elected Junior V. P. of VFW Auxiliary

At the Aug. 19 meeting of the Auxiliary to the Bremen Post VFW in Tinley Park, awards will be presented for 5, 10 and 15 years of membership in the organization.

At the Aug. 5 meeting, Mrs. John Johnson was elected junior vice president, to replace Mrs. David DeVault who resigned.

Included among committee reports, was one by Mrs. Don Morris, representative to the Recreation Commission, who reported on plans for the Fall Festival to be held over the Labor Day week-end. The Auxiliary will staff a booth as well as participate in the parade.

Mrs. M. S. Morrison, president, and members invite the public to attend game night each Friday at 8 p.m. in the Post clubrooms.

Legion Auxiliary Plans Revision of Standing Rules

At the meeting of Orland Park Unit No. 526, the American Legion auxiliary held in the home of Mabel Ekberg, Friday evening, Aug. 8, revision of the standing rules were read by Emily Zerbs, chairman, and will be read again at the next two meetings and adopted.

The president, Dorothy Thoms as delegate and Emily Zerbs as alternate delegate, gave a report on the State convention which they attended.

Installation of officers will be held in October. After adjournment refreshments were served by Mabel Ekberg and Emily Zerbs.

American Legion 8th District Aux. Installs Staff

The Eighth District of the American Legion auxiliary held installation of officers, Sunday afternoon, August 10 at the Homewood Post home.

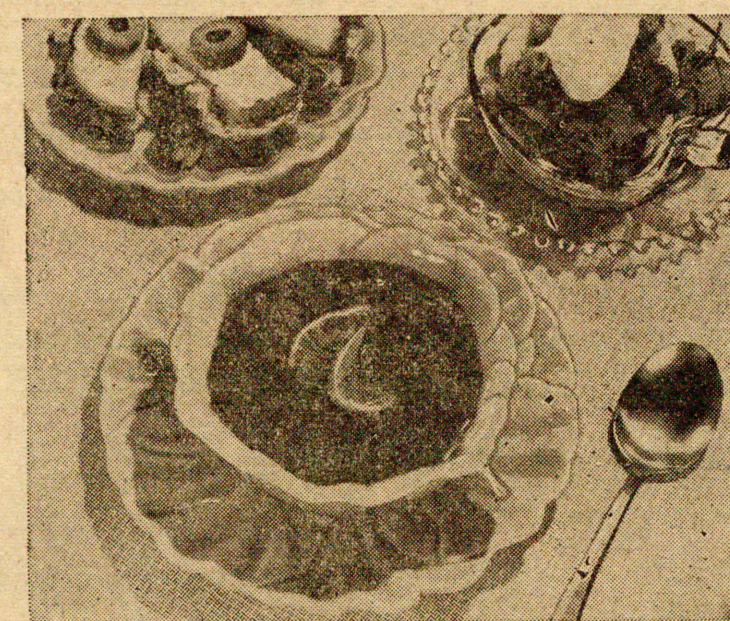

Orland Park Unit 526 was represented by President, Dorothy Thoms and past presidents, Lilah Kruspe, Adele Cooper and Emily Zerbs. Mrs. Paul Cavanaugh, past district director, served as installing officer with Mrs. Sam Stramaglia, Cook County Council president and also past district director, as installing chaplain and Mrs. Herman Scheibling, Chapeau Deuxieme South Suburban salon, as installing Sergeant-at-Arms.

Mrs. Lois Overton of Blue Island, retiring director, presided at the opening of the ceremony. The following officers installed were:

Mrs. Walter Mills, Homewood unit, district director; Mrs. James Stoff, Edward Schultz, unit alternate director; Mrs. John Kopecha, East Hazel Crest unit, secretary; Mrs. Victor Lello, Edward Schultz unit, treasurer; Mrs. Edward Wagner, Rehfeldt-Meyer unit, historian; Mrs. Joseph Grennan, Evergreen Park unit, chaplain; Mrs. William Newhouse, Thornton unit, sergeant-at-arms; and Mrs. Joseph Boisdore of Homewood unit and Mrs. Dominic Cincione of Chicago Heights unit as color bearers.

After the ceremony, refreshments were served buffet style, by the Past President's Parley and Unit members of Homewood Unit 483. The ceremony and refreshments were held out-doors on the spacious lawn of the Post home.

Soup 'n' Sandwich For Summer!

"S" is for Soup . . . and Sandwich, too! What could be better on a sizzling summer day? Easy to prepare . . . light and nutritious to eat.

Take a can of condensed tomato soup . . . simply add milk or water and heat. For a refreshing touch, garnish with a slice of lime. Or perhaps, you might serve a cold soup . . . especially appealing on a hot day. The combination of tomato and celery is an exceptionally good flavor blend and a cool pink color. Either way . . . hot or cold . . . soup gives a lift to weather-wilted appetites.

Combine soups . . . make them varied and appetizing. Use an assortment of breads and fillings. Crisp lettuce adds much to a good sandwich. Then for dessert . . . surprise the folks with another "S" . . . strawberry shortcake.

FOR AN AUGUST DAY
Tomato Soup with Lime Slice
or
Pink Cooler*

Favorite Sandwich
Strawberry Shortcake

*Pink Cooler
1 can (10 1/2 ounces) condensed tomato soup
1 can (10 1/2 ounces) condensed celery soup
1 1/2 cups cans milk
1 tablespoon chopped cooked bacon

Combine soups; gradually add milk and stir until smooth. Chill at least 4 hours. Serve in chilled bowls. Garnish with chopped bacon. Makes 4 servings.

Here's another warm day treat:
Tomato-Cucumber Soup
1 can (10 1/2 ounces) condensed tomato soup
1 soup can water
1/2 cup grated cucumber

Combine ingredients; chill. Serve in chilled bowls. Makes 2 to 3 servings. Note: Top with sour cream, if desired.

William Siemsen's Will Celebrate 50th Wedding Anniversary Aug. 23

The children of Mr. and Mrs. William Siemsen, 6717 South st., Tinley Park will honor them at an open house, Saturday, Aug. 23 in honor of their 50th wedding anniversary. The celebration will be held in the Trinity Lutheran school house, 159th st., and Oak Park ave., starting at 7 p.m. All relatives and friends are invited.

Mr. Siemsen was born in Tinley Park and Mrs. Siemsen, the former Miss Selma Abbe, in Chicago. Her mother died when she was about a year old and the late Mr. and Mrs. William Huhnstock of Goeleville, north of Tinley Park, took her into their home as one of their own. She lived there until her marriage. Of the Huhnstocks, who gave her a happy home, she has the highest praise and esteem.

When on Aug. 23, 1908, Selma Abbe and William Siemsen were united in marriage in the Trinity Lutheran church at 159th and Oak Park ave., they set up housekeeping on a farm on 167th st. When Mr. Siemsen gave up farming in 1915, they moved to their home on South st., where they have lived since.

Mr. Siemsen at first, did

team work with horses, as auto trucks were not plentiful then. For several years he hauled oil, and gasoline for the Standard Oil Co. He also worked with William Funk at his funeral parlors in Oak Forest. In 1923 he entered the employ of the Rock Island railroad at the car shops at 123rd st., in Blue Island where he worked for 30 years until his retirement in 1953.

They have four children: Elmer and William, Jr., Tinley Park; Irving of Phoenix, Ariz. and Alma, Mrs. John Plane of San Jose, Calif. Also eight grandchildren all of whom expect to be here for the celebration.

Both Mr. and Mrs. Siemsen are in fair health, able to manage their own household, have a garden, enjoy reading, radio and television. Mr. Siemsen drives his own car and thus they can go when and where they desire.

A family dinner will be served for the family and relatives Aug. 23 at 5 p.m. in the school house of the Trinity Lutheran church and in the evening are looking forward to visiting with those coming to congratulate them on this milestone in their married life.

Frankfort

Burton Breiderts Entertain for Exchange Student from Denmark

Mr. and Mrs. Burton Breidert entertained at their home Monday afternoon the Lincoln Way Student Council at a swimming party to honor Miss Ella Juul Jensen who arrived here last week from her home in Denmark. She will be here for a year as an exchange student at Lincoln Way high school. Also attending the swimming affair were the N. L. Fosters and family at whose home Ella is staying.

The building committee of the Methodist church will meet in the church this Friday evening, Aug. 15, at 8 o'clock. Several important items will come before this committee in an effort to complete their responsibility.

Members of the senior MYF will go to the Sand Dunes at Indiana this Saturday. Those attending are to bring a picnic lunch and meet at the Harry Miller home at 8 a.m. This group will have their next meeting at the church Sunday, Aug. 17, at 7 p.m.

Reservations for the Retreat planned for the MYF to be held from Aug. 30 to

Sept. 1, at Bass Lake, Ind., must be made with either Norvone Foster or Douglas Heusner by Aug. 24. All members are eligible to attend.

Nancy Lambrecht and Sherry Dralle have returned from spending two weeks in the day camp of the Joliet YWCA. They were awarded an honor camper award.

The Rev. and Mrs. Ben F. Day and daughter were guests of his brother, Mr. and Mrs. Melville Day at Morris Saturday and Sunday. The Rev. Mr. Day preached at both morning services in the Morris Methodist church Sunday.

Sam Foster, son of Mr. and Mrs. N. L. Foster is ill in his home.

Mr. and Mrs. Robert Anderson of Ft. Lauderdale, Fla., who have been visiting her parents, Mr. and Mrs. Herbert Lambrecht, were honored Saturday evening at a going away party. It was held in the Paul Lambrecht home. Guests were: Mr. and Mrs. Howard Johnson Mr. and Mrs. Robert Schwab Mr. and Mrs. Ed. Mooney and Jack Schnei, all of Joliet; Mr. and Mrs. Howard Osmus, Mr. and Mrs. Lynn Kohlhaugen Mr. and Mrs. Burton Breidert Mr. and Mrs. Wendell Morrison Mr. and Mrs. Don Freehs and Clark Bennett, Jr. The Andersons left Tuesday.

Mr. and Mrs. Gene Bennett were honored Sunday afternoon at a house warming party given in their new home at Sauk Village near Chicago Heights. Present from Frankfort were Mr. and Mrs. Clark Bennett, Sr., Clark Bennett, Jr., Mrs. Bertha Nieland, Mr. and Mrs. Ralph Nieland and daughters.

ughters, Mr. and Mrs. Burnett Schram.

Robert Trump visited his mother, Mrs. Mae Trump at Lowell, Ind., Sunday.

Mr. and Mrs. Harry Miller and daughters, Donna and Lorna and Mrs. Katherine Heisner spent Sunday afternoon at Warren Dunes State park in Michigan.

Mr. and Mrs. Wallace Weichbrodt and Mr. and Mrs. Walter Minger returned Sunday evening from a week's vacation spent at Crystal Falls, Mich. Enroute home they toured around Lake Michigan and stopped at Copper Harbor and Mackinac Bridge.

Mr. and Mrs. William Kaminsky and family of California arrived last week at the home of her father, Supervisor William Kampe. They will visit here with relatives for several weeks.

Mr. and Mrs. Merle Hayward and family of Plainfield, Mr. and Mrs. Lee Wells and family, Crystal Lawn and Mr. and Mrs. Charles Perkins and son of Joliet were guests at a hamburger fry Wednesday evening at the Ralph Nieland home.

Mr. and Mrs. Ray Putman entertained in their home Saturday evening to honor the birthday of Henry Mossel. Guests were, Dr. and Mrs. O. J. Novota, Mr. and Mrs. Leroy Mager, Mr. and Mrs. Frank Novak, Mr. and Mrs. Stanley Warning, Mr. and Mrs. Sheril Rahm, Mr. and Mrs. Robert Burns, Mr. and Mrs. Robert Mossel.

Mrs. Wendell Morrison, Mrs. Marie Bettenhausen and Miss Lois Bettenhausen were guests of Mrs. Lawrence Woodman at a luncheon in her home Tuesday noon.

Mr. and Mrs. Lawrence Woodman attended the A. D. T. Sorority meeting at Glen Ellyn Saturday evening.

Dave Zechlin and Bill Remin returned from a week's vacation at Alexandria, Minn.

A swimming party and a pot luck supper was enjoyed by the Lankenau family Sunday after noon and evening, when they were guests of Mr. and Mrs. Burton Breidert.

Mr. and Mrs. Walter Bettenhausen were dinner guests of Mr. and Mrs. Joseph Koldyck at Chicago Sunday in honor of the latter's birthday.

Mr. and Mrs. Ray Putman attended the White Sox ball game last Friday evening at Comiskey Park.

AMERICA . . .
The meaning of our word America flows from one pure source. Within the soul of America is the freedom of mind and spirit in man. Here alone are the open windows through which pours the sunlight of the human spirit. Here alone human dignity is not a dream but a major accomplishment.
—Herbert C. Hoover

Start 3rd Session of Palos-Orland "Y" Swim Classes

The third session of swimming lessons starts for members of the Palos-Orland YM-CA on Aug. 19. There will be classes for beginners, advanced swimmers, also for junior life saving. This is the first time life saving classes have been offered, which should be of interest to Boy Scouts and troop leaders.

Registration for any of the classes may be made by calling George Shriver, Gibson 8-3888 or Garden 4-8100.

Over 500 children from the Palos-Orland area have learned to swim since the "Y" was formed in this area two years ago.

During the month of July, approximately 25,000 persons took advantage of the Oak Lawn "Y" pool.

Interested persons are spear heading for a similar pool in the Palos-Orland area.

Fri. Aug. 15—Silver Tea, Homer church, 2 p.m.
Sat. Aug. 16—South Cook 4-H Fair, Ruby's Woods, 143rd st.
Sat. Aug. 16—Bake sale, Cooper and Hostert garage, Mokena, 2 p.m., by Women's Society Methodist church.
Sat. Aug. 16—Ice cream social church lawn, Zion Lutheran church, Tinley Park, by Young People's society.
Sun. Aug. 17—Ice cream social, Trinity Luth. church, New Lenox, at 7 p.m. by Walther and Woman's League.
Thurs. Aug. 21—White Elephant sale, Zion parish hall, Tinley Park, 9 a.m. to 3 p.m. by Ladies Aid.
Aug. 22—Bake sale Western Tire and Auto store, Tinley Park, by ladies of St. Boniface Mission.
Tues. Aug. 26—Hat sale, Trinity Luth. church, New Lenox.

Cards of Thanks

I wish to express my sincere thanks, to all relatives and friends, who sent cards and flowers while I was in the hospital, and since I have returned home.

MRS. HELEN STEGE
Tinley Park

We want to express our thanks and appreciation to the fire departments, Mokena, Frankfort and New Lenox for their quick response to our call the night our house was afire; we also want to thank everyone who were so kind and helpful to us in so many ways.

MR. and MRS. LEE GUETHRIE
Mokena

We wish to thank all our friends and neighbors for their kindness and sympathy shown to us at the passing of our husband and father.

Tinley Park

Dahlia Club Plans Annual Picnic at Ruby's Woods Sunday Aug. 24

According to Tinley Park members of the Southtown Dahlia club, Mrs. Rita Wilkins of 171st and Oak Park ave. and Robert Nixon of 65th ave. Sunday, Aug. 24 will be a day in full bloom.

The annual picnic of this group is being planned for Ruby's woods, between Ridge and Central avenues.

During the course of the afternoon's festivities, a brief business session of the membership will be conducted by G. Reed Thomson, president.

Final plans for the 21st annual Dahlia Show, on Sept. 20 and 21 will be discussed. The theme for the artistic arrangements section is "Theatrical Highlights." Competition will be open for amateur, professional and commercial growers. A section for non members also is planned.

Marquette Park fieldhouse in Chicago is the place selected for the affair.

Mr. and Mrs. Frank Miller, and son Johnny of 17043 New England ave., and her brother and two sons, Bill and Dan of Riverside, and Mr. Miller's sister and husband Mr. and Mrs. Robert Miller, of Indianapolis, Ind., attended the White Sox-Yankee ball game in Comiskey park Aug. 3. They report an interesting afternoon especially as the White Sox were able to take both games of the double header.

The Moocher's club had dinner at Jardines last Wednesday evening. A pleasant evening was enjoyed.

Carolyn Howie entertained friends Saturday afternoon on her 11th birthday. The usual party fun was enjoyed.

Carolyn is the daughter of Mr. and Mrs. Allan Howie of 71st st.

Mr. and Mrs. Charles McDonald of 170th street motored to southern Indiana Sunday to pick up their daughter Patricia who had been visiting relatives there during the past week. Patricia has registered at Normal university in the field of special education and will be reporting there for studies the second week of September.

Tinley residents who have returned from vacations in Minnesota are: the Joe Kraman family of Glenview drive; Mr. and Mrs. Harold Zebac and daughters of 69th ave., and the Albert Bilotti shoe store.

Miss Roberta Nolte and Mrs. Eileen Fremder have entered the Miss Contact Lens contest of 1958. Dr. Norman Patterson of Tinley Park who fitted both with contact lenses recently, feels confident they have a very good chance to win first prize which is an all expense trip to either New York or San Francisco during the month of November.

Seventeen members of the Methodist Youth Fellowship enjoyed the day at 100th street beach Saturday. Miss Shirley Cuth and Miss Lorraine Redman both of Mokena, were guests. Transportation was furnished by Miss Redman, Irwin Johnson and Mr. and Mrs. P. L. Jochum, who chaperoned the group for the day.

Dr. and Mrs. D. F. Hattendorf and family of 173rd place motored to Bass Lake Wednesday for the day. Thursday, Mrs. Hattendorf entertained neighborhood children at a birthday party for Francis Hattendorf, age 6. The traditional party favors, and refreshments were enjoyed.

Mr. and Mrs. Hal Kent and

family spent several days at Epworth, Mich. last week.

Mr. and Mrs. Charles Carpenter and daughters have returned from a wonderful vacation in the Miami, Fla. area.

Paul Buck, polio victim of several years ago, has returned to Illinois Research hospital. There is a possibility of surgery to assist in corrective spine work. Mail is always welcome and especially when hospitalization may run over several months.

Women of the First Baptist church are meeting today, Aug. 14 at 2 p.m. in the church for a summer planning session. The address is 7025 West 179th street.

Mrs. Harry Marzolf was honored with a pink and blue shower at the home of Mrs. Vera Strumwasser in Park Forest recently. Guests were former fellow employees of Mrs. Marzolf who was employed at a Park Forest dental clinic.

Lyle Nelson has returned from two weeks duty at Ft. Bragg, N. Carolina where he was attached with the 302 special Force Detachment as team leader. It is the duty of this Airborne force to plan and set up Gorilla work when necessary.

Mr. and Mrs. Charles Sippel have had as their house guest, the latter's sister from Pennsylvania. On Sunday, they were dinner guests of their son and family, Mr. and Mrs. Alvin Sippel.

Women of the Church of Christ group known as the Dorcas circle met for dessert luncheon at the home of Mrs. Lucetta Douglas on Tuesday evening.

Grandmother Ayers, mother of Mrs. Edward Heinzen has returned to California following a delightful three week visit with her family. The Heinzen family are now enjoying a northern Michigan vacation.

Mrs. Lucetta Douglas was hostess to 31 ladies at a pink and blue shower for Mrs. Richard Kirkland on Tuesday evening of last week.

The Cancer Dressing group will meet Aug. 19 from 10 am. to 3 p.m. in the Sunday School building of the Church of Christ. The ladies are asked to bring a sandwich, dessert and beverage will be served.

Mr. and Mrs. Edward VanderVeen and family of 175th street spent the week end at Three Rivers, Mich., visiting with the former's sister and family, Mr. and Mrs. Everett Wagonmaker. On Monday evening the VanderVeen family attended a birthday party for A. VanderVeen in Chicago.

Mr. and Mrs. Martin Matuzewich, Dorothy and Lewis have returned from a western vacation spent in the Badlands, Black Hills and Canada. A very impressive spot visited by them in St. Boniface, Manitoba, Canada was the Grotto, Our Lady of Lourdes, a replica of the famous Grotto in France.

Mr. and Mrs. Walter Roemer and family of Phoenix, Ariz. are visitors in Tinley Park and area. They arrived Sunday and are at present with the former's mother, Mrs. Clara Roemer at 173rd place.

Miss Colette Wojciechowski is visiting the Robert Scott family in Albermarle, N. C. She motored south with the Al Miller family who are visiting relatives in South Carolina. Colette will fly home later in the week.

Mrs. John Swisher entertained as luncheon guests in

her home Tuesday, her niece, Miss Marion Reisenweber of New York City, her sisters, Mrs. W. C. Reisenweber and Miss Louise Noehring of Chicago; Kay and Frances Swisher, granddaughters, and Mrs. Marion Swisher and daughter Janice.

Mrs. Victoria Holmberg of Iuka, Ill., was a houseguest at the home of the Dallas Webster family four days last week.

Mr. and Mrs. Alvin Reder have returned from a Michigan vacation where they visited with friends.

Mr. and Mrs. Nobel Terrell have arrived at Tucson, Ariz. where they intend to make their home. Their many friends in Tinley Park wish them well and sincerely hope Mr. Terrell's health will respond to the warm and dry climate.

Arriving here Sunday via plane from Colorado Springs, was the mother of Mrs. John Szaton, who will make her home with the Szaton family. She is 80 years young and thoroughly enjoyed her first plane ride.

The James Marshall family of Ravinia drive have returned home rested and well tanned from a wonderful two weeks spent in the Wisconsin area.

Mr. and Mrs. Paul Roth have returned from a 10 day vacation spent in the East visiting with cousins, Mr. and Mrs. Fred Heubner in Pennsylvania. They also enjoyed sight seeing in New York City and Washington, D. C.

Larry W. Bettenhausen spent a couple of days at the Claude Smith's home in Green Bay, Wis. Larry formerly made his home with the Smiths, while they resided in Tinley Park.

Mr. and Mrs. Fred Yunker entertained a group of friends at a lawn party Sunday.

Mrs. Minnie DeChant of New Lenox visited with Mrs. Charles Schara Tuesday afternoon of last week.

Rev. and Mrs. Kenneth Crandall and sons have returned from a month's vacation spent visiting both families in Ohio and Minnesota. He will return to the pulpit of Tinley Methodist church Sunday, Aug. 17.

Mr. and Mrs. Richard Rabenau celebrated their sixth wedding anniversary Saturday dining out with another couple.

Funeral Services for Dora Kristal Are Held Monday

Mrs. Dora Kristal, late of 17601 Highland ave., Tinley Park, died last Friday at the Dixmoor Villa Convalescent home at Dixmoor, following a long illness.

She was born Aug. 12, 1894 and would have been 64 years old on Tuesday of this week. Mrs. Kristal had been a resident of the area for the past 27 years.

Besides her husband, Carl W., she is survived by one daughter, Mrs. Ann Rab, of Monee, and three grandchildren.

Removal was to the Hirsch chapel and funeral services were conducted Monday afternoon at 2 o'clock from the Zion Lutheran church, Tinley Park, with the Rev. Randolph F. Hahn officiating. Interment was in Zion Lutheran cemetery.

W. R. McCabe, Editor-Publisher, Dies; Funeral Services Saturday

William R. McCabe, editor and publisher of a Joliet weekly newspaper, The Spectator, died yesterday morning (Aug. 13) at St. Joseph hospital, Joliet. He was 74 years old. McCabe has been in poor health for sometime but his condition became acute only recently.

McCabe was an attorney but he was a newspaper man and a member of the Illinois general assembly before he was admitted to the bar.

He was born at Morris in Grundy county and worked on daily papers at Joliet and had a filing at running one himself there for a brief period. He sandwiched law studies with his newspaper work and was admitted to the bar in 1915. Three years prior to that, however, he had been elected to the state legislature and served in that body from then until 1922.

He practiced criminal law at Chicago from 1922 to 1930 but made his home at Lockport. He was mayor of that city from 1923 to 1925 and in 1932 was elected state's attorney of Will county. He served but the one term, having been beaten for re-election in 1936 by James E. Burke.

McCabe kept up his interest in politics and was not hesitant in voicing his opinions in his paper. At times he was involved in precinct committee races and the last one in which he took part was in the primary of 1948. It was on April of that year, just before election, that he was savagely beaten by goons who seized him as he was driving to Joliet from his farm in Homer township.

His former secretary and later business manager and fellow shareholder in The Spectator, Amelia (Mollie) Zelke, blamed politics for the beating, a view that McCabe at first denied but later came to accept. Investigators discounted the political angle but McCabe's assailants were never caught.

Just as has the disappearance of Miss Zelke remained a mystery, Molly, as she was called by all who knew her,

has been missing since Sept. 25, 1937. Her car and one of her shoes were found in front of her home in Joliet. Since that time there has been no trace of her. Whether she was kidnapped, slain or left of her own volition has never been determined.

Miss Zelke and McCabe each owned 48 shares of stock in The Spectator and three shares were placed in the hands of State's Attorney Frank H. Masters to hold in trust for the survivor of the two owners. Under the terms of the trust the three shares "are to be turned over immediately" to McCabe or Miss Zelke, which ever survived.

There has been no proof that Miss Zelke is dead so it is expected that the receiver for her estate, appointed several months ago, will himself or thru his attorney, Thomas Vinson, make demand upon Masters for the three shares. Vinson and Masters are both on vacation now. Eugene L. Koehl, owner of the Republican and Peerless printing firms in Joliet, is the receiver.

Albert H. Krusemark, of Frankfort, is attorney for the McCabe family in the litigation that resulted in the naming of a receiver for Miss Zelke's estate and it is believed that more litigation will come before it is determined who has the controlling interest of The Spectator.

Mr. McCabe is survived by his wife, Ada and five daughters, Mrs. Jean Oliver, Mrs. Mary Lou Lowery, Mrs. Marjorie McGinnis, Mrs. Ruth Ward and Mrs. Elizabeth Atkinson and a sister, Mrs. Molly Dickens of Ottawa.

Mr. and Mrs. McCabe observed their 50th wedding anniversary last year.

Removal was to the Goodale funeral home, 912 Hamilton st., Lockport, where friends may call. Funeral services will be held at 12:30 o'clock Saturday afternoon at St. Denis church, Lockport. Burial will be in Mt. Carmel cemetery, Morris.

4th District Loses Good Man

The death of William A. McVey, of Harvey, Republican congressman from the fourth district, is sincerely regretted by those who knew him.

Mr. McVey voted according to his convictions and what he believed to be the best for his district, state and party.

The fourth district, which includes Tinley Park and Orland Park as well as Harvey, Blue Island, Chicago Heights and a piece of the city of Chicago, has been fortunate in having a congressman of Mr. McVey's caliber. He was dependable, honest and intelligent and was a member of the house banking and currency

committee.

He served the district well for the past eight years and was a candidate for re-election in November.

Before going to congress Mr. McVey was an educator. He was superintendent of the Thornton high school and junior college at Harvey and prior to that had been professor of education at De Paul university.

Mr. McVey was a fortunate man. He had many friends, he was well liked and above all was respected, even by his political foes. He was a good public servant.

Municipalities Can Control Scooters

If various safety agencies have their way the next session of the Illinois legislature will correct a stupid blunder committed by the last one.

We refer to the law which permits anyone to operate a motor scooter without a driver's license. There have been several youngsters killed and quite a number seriously injured as a result of accidents involving scooters. As long as there are weak and careless

parents who will furnish off-spring with these death dealing devices then the lawmakers of the state should step in and protect them—children and parents—against themselves.

It will be many months before the legislature meets again. In the meantime there is nothing on the statutes to restrict the use of scooters except municipalities.

A number of cities and villages have adopted ordinance-

es requiring scooter operators to pass tests calculated to determine whether they are qualified to operate a machine and also to have the scooter inspected. To take these tests and to have this inspection they must pay a license fee. These fees vary but if municipal authorities want to really crack down and reduce the number of riders they can price them into remaining pedestrians by imposing a whacking big inspection fee.

trate their—PENETRATE—PENETRATE, YES, THAT'S WHAT I SAID—penetrate their consciousness—and we will show you an inconsiderate INCONSID—YEAH, A JERK.

Sure, we are glad Mokena is getting sewers. There are communities in need of sewers that are still endeavoring to ward off persons seeking suburban homes and cling to a regimen that flourished in a time when cobs were also in

our office and plant is located. As a matter of fact, had anyone complained about the noise we probably would have taken in a sympathetic tone—advised them not to think about it and then forgot all about it. Now it's different.

Just let some one tsk-tsk to us in a sympathetic tone and point out that a little noise never disturbed anyone unless a person allowed it to pene-

On Second Thot

By G. F. L.

Progress is in front of our office this week. We need it and we are in favor of it but it is a noisy thing.

That's right, noisy, upper case noisy, like this, NOISY.

You will have to bear with us and excuse re p e t i t i o n. That machine is making s o much—I said that machine — THAT MACHINE — the one they are digging the excavations for the Mokena sewers with—is making so much noise that it is harder than ever to try to think. I said it's harder than ever—Oh skip it, it's only a conclusion.

What we had decided to do was write a piece about the progress shown by Mokena in building a sewer system complete with sewage treatment plant attached. But it would have been better to have done so while that digging machine — THAT DIGGING MACHINE — oh, excuse me, didn't mean to shout but then I didn't know that machine was going to stop—welcome relief isn't it when that da... I mean digger shuts off for a few minutes.

Well, you can't expect to have progress without some noise, or smell or dirt so we are not wishing that digger was on a raft in the mid-Atlantic or on an atoll in the South Pacific—altho come to think about it either of these locations has its good points. And the noise would be quite a treat for the fish or the natives. Something different anyhow.

This machine—I SAID THIS MACHINE—has been making noise up and down the streets of Mokena for weeks now but to tell the truth we didn't think anything about it until it reached the block where

Two Natl. Tea Employees Get Scholarships

H. V. McNamara, president, National Tea Co., today announced that scholarships to the unique Curriculum in Food Distribution have been awarded to two National Tea Co. employees. Thomas E. Brislen of the Chicago Branch of National Tea Co., was awarded the scholarship sponsored by the Lamp Division of the General Electric Company, and Leonard A. Roomsman of the Minneapolis Branch of the National Tea Co. won the scholarship awarded by the Tyler Foundation of the Tyler Fixture Corp.

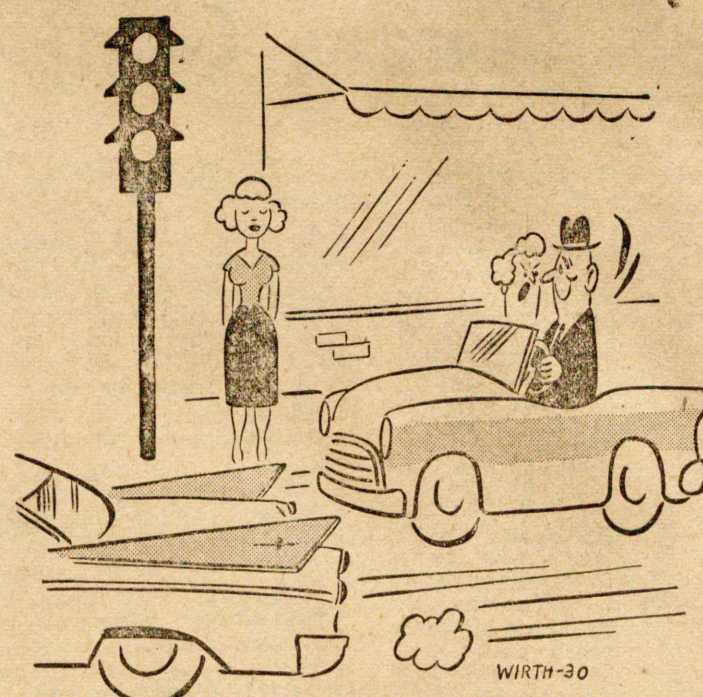

The scholarships, sponsored by food industry suppliers, are offered each year to employees of wholesale and retail food distributors. Each scholarship has a value of \$1,500 of which \$1,000 goes to the winner for one year's study in the Curri-

culum and \$500 to the university at which he studies.

The Curriculum is currently being offered at Michigan State university, East Lansing, Michigan, and Cornell University, Ithaca, New York. These are the only two colleges in the country which offer bachelors' and masters' degrees in food distribution.

The Curriculum was founded by the National Association of Food Chains at Michigan State university in 1950.

The two National Tea Co. winners are among the 32 winners in the entire nation, who

Arizona Judge Lashes U. S. Supreme Court

By Congressman N. M. MASON (155th Ill. dist.)

Senator Eastland of Mississippi in a recent speech in the senate pointed out some interesting facts in connection with recent U.S. Supreme Court decisions bearing upon Communists and Communist group activities. These decisions of the Warren Supreme Court are shaking our judicial system to its foundations, breeding disrespect and making law enforcement much more difficult.

Quoting Arizona Supreme Court Justice, the Honorable M. T. Phelps, the Senator said: "I honestly view the Supreme Court, with its present membership and predilections, a greater danger to our democratic form of government and the American way of life than all outside forces aligned against us."

That is a very strong statement for a state supreme court justice to make. Senator Eastland backed up that statement with the following facts taken from the records of the Supreme Court.

From 1943 to 1953 the court considered 34 cases

involving Communism, the Communist party, and subversive or seditious activities. During that 10-year period the court found in favor of the position advocated by the Communists in 15 cases and contrary to what the Communists wanted in 19 cases.

2. Since 1953, during the 4½ years since Earl Warren took the oath of office as the chief Justice of the Supreme Court, the court has heard 39 cases involving Communists or subversive activities. In 30 of the 39 cases the decisions have been in favor of the position advocated by the Communists, and only nine decisions have been contrary.

3. Justice Hugo Black over the past 20 years has participated in 71 such cases and has voted 71 times in favor of the Communists' position.

4. Justice William Douglas has participated in 69 such cases and has voted 66 times in favor of the Communists' position.

5. Justice Felix Frankfurter has participated in 72 cases and has voted favorably to the

Communists' position in 56 of the cases.

6. Chief Justice Warren has participated in 39 cases; has voted favorably to the Communists' position 36 times, and only 3 times unfavorably.

It is very difficult to believe that the government, the states, the department of justice, the F.B.I., or the districts courts were consistently wrong in these cases that were appealed to the Supreme Court.

Kyserling's six year plan:

The Conference on Economic Progress, headed by Leon Kyserling, formerly chairman of President Truman's council of economic advisers, recently issued a manifesto that set forth a "Six-Year Plan" patterned after the Soviet five-year plan. Kyserling proposes the following:

1. Unemployment compensation and social-security benefits must be boosted; the latter by 100 per cent by 1964.

2. Congress must spend more -- an increase of \$4.5 billion over the President's January

budget estimate of \$72.8 billion, and on and on, until, in fiscal 1964, we reach a "goal" of \$96.2 billion.

3. The Federal Reserve Board should reverse its "tight-money policy", especially to stimulate housing.

4. Farm income should be increased by \$1.9 billion this year and by \$10.2 billion by 1964.

5. There should be an "immediate" tax cut of \$6 billion to \$7 billion, mainly for low and middle incomes.

6. There should be "private economic adjustment" to cut prices and raise wages -- the bite to come from profits.

This program is very inflationary. If put into effect it would change our present-day "50-cent dollar" into a "25-cent dollar"; cut all fixed incomes in half -- pensions, annuities, insurance policies, bank deposits; double the cost of living; and push our government further down the road to socialism, dictatorship, and economic chaos.

Do we want to travel the Kyserling road?

ating funds for the day-by-day expenses of Pokagon Trails Council. "This money cannot be used for capital funds, which are urgently needed to expand our camping facilities," according to Clifford T. Nicholson of Homewood, general chairman of the sustaining membership enrollment.

With 4,500 boys in 150 Boy Scout and Explorer units of Pokagon Trails Council competing for limited camping facilities, reservations were essentially filled as early as February for the season capacity of 1,000 at summer camp Betz near Berrian Springs, Mich. Week-end campsites are at Camps Eggers, Hawes, Nissaki and Roe, for which reservations are often filled six months in advance.

Of \$3,600.00 raised in the first annual sustaining membership enrollment last year, \$1,000 was advanced for option to purchase a 32 acre farm adjacent to Camp Betz. The council must now accumulate the remaining \$24,000 to purchase the property when it is made available, probably within the next two years, it was stated.

So called "closet dreams" are those designed to be read, but not acted.

Laguna Woods Parties and Impromptu Gatherings Spark Summer Days for Residents

By MRS. ROBERT ANDERSON
Phone Fieldbrook 9-2857

July 31 Mrs. Henry Anderson entertained her monthly bridge club, which met in the evening as most of the members are white collar girls. Mrs. Anderson's mother, Mrs. Arthur Little (who resides with her daughter) gave a luncheon for a few of her Chicago friends on the first Tuesday of August.

Aug. 7, a sultry afternoon, neighbors unexpectedly gathered at Mrs. Donohues home and enjoyed cool drinks or coffee on the back patio. The girls arrived alone or in pairs at the sun filled impromptu patio party. Mrs. George Brown recently returned from Florida, and Mrs. Arthur Arnold were sunning themselves on the patio with Mrs. Wm. Donohue when joined by coffee klatchers Mesdames Woodbury and Anderson, as the coffee pot was being connected outside, also came Mrs. Matt McBride and a while later Mrs. William Snedden.

Aug. 8, Mrs. Robert Anderson invited a few of the girls to meet their neighbor, Mrs. Arthur Little. Home made coffee cake and coffee were served buffet style on the screened in breezeway.

Aug. 2, Mr. and Mrs. John Nelson spent the weekend in South Haven as the guests of Mr. and Mrs. Karre and daughter Debbie and Julie. Mrs. Karre's guest for the first week of her two week vacation was Miss Janine Nelson.

Aug. 2, Saturday evening, neighbor Wayne Biedermann celebrated his birthday at a patio party. Other neighbors celebrating birthdays on that day were Mrs. William Garvin and H. L. Woodbury. Congratulations also, to Mr. and Mrs. Al Karre who celebrated their anniversary Aug. 9.

Mr. and Mrs. William Garvin spent a weekend at Grand Junction, Mich. at her brother's cottage.

Aug. 4 Charles Harris, Mark VonSee and Norman Hegyi spent the night sleeping under the stars in the Hegyi's back yard. The boys put up a blanket tent (tent made of blankets over clothes line strung between two trees) and spent the night there. The

children were awake at 6 am. and spent the earlier part of the morning playing quietly in the Hegyi yard. Their only request for the night spent outside was to leave the Anderson garage light on which threw some light into the area where the tent was pitched.

Aug. 1, Friday evening four Laguna families dined at a Mokena restaurant that served fish and shrimp dinners.

Last Sunday evening Mr. and Mrs. Karre who arrived home from their vacation late Sunday afternoon gave a party in their spacious home on 139th street. Guests dined on delicious foods brought back from South Haven.

Mrs. Thomas Verhagen entertained guests at a buffet luncheon on Wednesday in her lovely home on Redondo Lane.

Guests dropped in at the Donohues last Wednesday evening for cake and coffee and helped Bill celebrate his birthday. The Donohues lovely recreation room is the scene of many Laguna Woods parties and is furnished in early American maple.

Saturday dinner guests at the Woodburys were Mr. and Mrs. Robert Green and son Greg of Orland Park who had returned from a vacation in Benton Harbor that afternoon. The evening was spent on the patio with many neighbors from Laguna.

FULTON 5-5540
13045 S. Western Ave.

Falls in Manhole Sues for \$15,000

(CNS)—A Dolton resident who fell into an uncovered manhole has filed a \$15,000 personal injury suit against the village.

He is Harding McCain, 14320 S. Dobson, Dolton, injured in the fall at 143rd street and Ellis avenue on March 23.

Also named as a defendant is the Crane and Cox Construction company, 14209 University, Dolton. Both defendants are charged with negligence in constructing and maintaining the village's sewage system.

The Superior court suit was drafted by Attorney Irving Kipnis.

OIL STOVE FIRES

A kerosene stove can be very dangerous if it breaks into flames. Here's what to do, as recommended by the Institute for Safer Living: (1) If safe to do so, turn off the fuel supply. (2) If available, use a fire extinguisher to put out the flames. (3) If you have no extinguisher, soak a woolen blanket and throw it over the stove to prevent flames from spreading. (4) Don't take chances. Call fire department if the emergency seems beyond your control.

A STAR-STUDDED CAST OF "NAME" STARS will be featured at the 1958 Illinois State Fair in Springfield, August 8-17. Opening night will find Louis Armstrong and his "pops" concert group performing at the grandstand. Saturday, August 16, James Garner, of the "Maverick" television series, will join comic Jonathan Winters, shapely movie star Jane Russell and pretty songstress Peggy King. Also included in the huge show will be emcee Peter Donald, the Dukes of Dixieland and the Frankie Masters orchestra.

Be Careful What You Say Cows! Boss May be Listening on Phone

Three farmers in Illinois can now sit in their living rooms and hear their cows in the barnyard -- over the telephone.

Also the cows haven't been (and won't be) taught to use the phone, a new Bell System farm communications system has been designed so farmers can listen to them. From his livingroom the farmer can tell when there is an unusual disturbance which requires his attention in the barnyard.

This new system, installed by Illinois Bell, uses two wall-phones which have speaker-microphones installed in them and an outdoor loudspeaker and transmitter. These make it possible not only for the farmer to hear what's going on in the barnyard while seated in his easy chair, but also provide an intercommunicating system for the family between the house, barn and barnyard.

When it's time for supper, for example, Mrs. Farmwife can pick up the phone in the house and call the family to supper. Her voice is "broadcast" in the barnyard and in the barn.

Designed to offer complete

telephone and intercommunicating system for farms, three installations have been made by Illinois Bell. They are a part of a study of the system being made by the Bell System. Installations also have been made on farms in Iowa, Nebraska, Minnesota, North and South Dakota and New York.

Platinum Coins

Coins made of pure platinum were issued by Russia during the early part of the nineteenth century.

Business and Finance

By MAURICE P. ANGLAND

The lack of influence and adverse action of the stock

market of last several months in the face of world events which usually causes the timid to sell their securities and bring about sudden declines, proves really strong underlying strength.

The big buyers have been institutional funds which are handled by professional investment managers. They are not easily influenced by anything except basic economic conditions.

Almost all financial commentators now stress the fact that we are faced with continued progress toward inflation and lowering of purchasing power of the dollar. Many news stories and comments by persons quoted in the news dispatches, would seem to indicate that inflation is a phenomenon largely limited to the United States and the lesser countries. The facts are that this erosion of the currency is world wide.

As a matter of fact, we have had less inflation in the last ten years than most all countries except Switzerland, Germany (west), and Venezuela. These three have slightly more than 10 per cent decrease of the value of their monetary unit in the last 10 years.

The U.S.A. and India have had about 20 per cent decrease; Italy 25 per cent; Canada 30 per cent; Denmark, Norway, South Africa, the Netherlands, Sweden, United Kingdom, between 30 and 40 per cent; France about 43 per cent; and Mexico, Uruguay, Australia, Finland, Peru, Brazil, Argentina, and Chile, arranged in order of their increasing monetary erosion with Mexico about 50 per cent and Chile about 95 per cent.

Inflationary tendencies is a world wide problem and not confined to any particular country or area. It is expected that political changes at the next national elections will bring about election of more of the so-called pro-liberal groups with greater government spending and even less effort to fight inflation. A new wage-price spiral upward is expected.

This condition to bring about quite tight profit percentages due to increasing costs and resistance to price increases. Business must strive for large volume to meet this situation.

Efficient plants will do well and inefficient suffer. Automation will get a bit of a push forward as labor costs increase and profits are squeezed. Progress in automation is likely to move forward quickly.

McGraw Hill's eleventh annual business survey of "Plans for New Plant and Equipment" shows manufacturing companies generally, expect their sales to increase 20 per cent, on the average, between 1958 and 1961. Growth industries such as chemicals and electric machinery expect gains of 25 to 34 per cent. This means considerable increase in plant expansion and modernization and replacement of present plants and equipment with only one third for expansion, meaning more intensive use of present plants.

A group of professional investment managers for the larger Mutual Funds, etc. were asked their preferences for investment now that the recession is on its way out.

Naturally, there was some variance in their suggestions, but there was rather general agreement that oils offered the best investment vehicles with domestic firms preferred. Next came business machines, electronics, steel, chemicals, construction, life insurance etc. altho not necessarily in the above order.

Former Resident Visiting Here from the East

By LILLIAN KNOX
Phone Fieldbrook 9-0211

Mrs. Bertha Trull, and her daughter Mr. and Mrs. Jim Murdock of Upper Darby, Pa., are visiting relatives and friends in Orland Park and Tinley Park. Mrs. Trull is the former Bertha Steinhagen and was a former resident of Orland.

Mr. and Mrs. Harry Rauch, Mr. and Mrs. Arthur Granat and children, Mr. and Mrs. Herbert Sterling and son and Mr. and Mrs. Floyd Rauch spent their vacation at the Ozarks and Antioch. The Granat family spent one day at the Wisconsin Dells. Enroute home they stopped at Springfield.

Mr. and Mrs. Willard Creer and daughter Janice enjoyed a vacation tour around Lake Michigan.

Carol and Owen Jr. Creer are vacationing in Orland with their grandmother, Mrs. James Creer.

Mrs. Robert Davidson and daughters, Susan and Linda spent an enjoyable two week vacation at Lake Lawn at Delavan Lake. Both spent the week-ends with the family. The last few days of their vacation, Mrs. Robert Kotrba and daughter Ann of Palos joined the Davidson family. Mrs. Kotrba is a sister of Mrs. Davidson.

The Franklin Loebe family and William Fisher family are vacationing at Lake Lawn at Delavan Lake.

Mr. and Mrs. Jim Lauer of Berwyn are the parents of a baby girl born Aug. 3 at Waltham Memorial hospital in Chicago. The infant weighed 8 lbs. 10 oz. and eight pounds two ounces and has been named Nancy Lynn.

ASC Official Reminds Farmers of Feed Wheat Exemption Rule

William Z. Polley, office manager of the Will county ASC office reminded Will county farmers of the feed wheat exemption provision of 1959 wheat marketing quota regulations. Legislation enacted a year ago permits farmers to grow up to 30 acres of wheat without penalty provided all of it is used for food, seed or human consumption on the farm where it is produced.

Any producer interested in growing up to 30 acres of wheat for 1959 under this provision should file an application prior to seeding time. Applications are available in the county office at 1256 W. Jefferson st., Mr. Polley said. Producers participating in the program will be required to file future reports on the use of the wheat so grown. An application may be canceled by the producer at any time, but in this event marketing quota program provisions will then apply to any wheat produced on the farm.

Under the feed wheat exemption provision no more than 30 acres of wheat may be grown on the farm. None of the crop may be sold, bartered, or exchanged. The entire crop of wheat must be used on the farm where it is produced.

Lawrence P. Bestmann was one of 414 graduates who received master of science degree at the Florida state university, Tallahassee, at the summer commencement exercises August 9.

Dolores J. Warner, R. R. No. 1, Orland Park, has been accepted as a member of the freshman class of Elmhurst college, Elmhurst. Miss Warner a graduate of Carl Sandburg high school will enter the week of Sept. 7-13.

duced. Any livestock or poultry fed must be owned by the producer and it will not be permissible to remove any wheat to another farm for any purpose.

No marketing card will be issued for farms covered by the feed wheat exemption provision since none of the wheat from such farms may be sold. If the conditions on which the exemption is granted are violated, the exemption becomes null and void and the producer will be subject to penalties under wheat marketing quota regulations.

Program provisions permitting producers to market 15 acres or less of wheat without penalty regardless of the size of the allotment will only apply to producers on farms which are not participating in the feed wheat exemptions provisions. Under the wheat program for 1959

farmers now have the following options:

Under the wheat program for 1959 farmers now have the following options:

1. Up to 30 acres may be grown on a farm provided all of the wheat produced is properly used on that farm. Written request must be filed with ASC office.
2. The allotment acreage (if any) may be grown on the farm with price support available on the wheat produced.
3. If there is no allotment on the farm or it is small, up to 15 acres of wheat may be grown without penalty and placed on the market without price support.

Natl. Tea Declares 50-cent Dividend

H. V. McNamara, president, National Tea Co., has announced the third quarterly dividend to be declared by the board of directors for 1958 in the amount of 50c per share.

The dividend will be payable on Sept. 1, to all shares of the company's \$5 par value common stock on record as of Aug. 15, 1958. This compares with the regular quarterly dividend of 50c per share paid on common stock for the third quarter of 1957, and brings to a total of 56, the number of consecutive regular dividends paid on the company's common stock since the last quarter of 1944.

FARM NEWS

For
Cook County
by
W. F. Whiteside

assistant farm adviser

The oat plots on the Herbert Kohl farm were harvested last week. Although the data is not complete, it looks as though all the varieties gave very creditable yields. At the time they were harvested, all varieties except the Clarion, had lodged to some extent. This is probably due to the rainy spell we had, coupled with the fact that most of the varieties were completely matured before it started to rain.

The dwarf corn variety demonstration on the Fred Niemeyer farm, Flossmoor road and Cicero ave., is beginning to show up nicely. It will be interesting to watch this corn and see how it yields this fall. If you are in the neighborhood, stop and take a look at this plot, sponsored by the County Extension service.

Approximately 50 local people sat in a program planning session this week to develop ideas for the extension program for the coming year. These people served on six committees. The recommendations will be by the Extension council. The council will arrange them into a plan of work and from that will come the educational events such as meetings, tours, demonstrations, and other programs for the fall and winter.

Charles Erickson, Mokena, is chairman of the Extension Agricultural council. The council is always open to suggestions to improve the extension program. If you have a suggestion, let us know.

I attended a field day at the Downers Grove Drug and Horticulture experiment station. There are some interesting and valuable experiments be-

ing carried on at this station which will be of particular interest and benefit to vegetable growers. The college of Pharmacy, University of Illinois in Chicago, also conducts research on various drug plants. The vegetable studies include chemical weed control, insect control, variety tests, and plant genetics. One of the control experiments concerns damage to cucumbers by the cucumber beetle. For this experiment, the plants are caged, and 0 to 22 beetles per plant were placed inside the cages. Any number of beetles over 4, destroyed the cucumber plants completely in two weeks. One beetle per plant caused 50% stunting in two weeks. Yields are not available at the present time on those plants that survived, however, we can draw this one conclusion right now: insect control is an important horticultural practice.

The South Cook 4-H fair starts this Saturday, Aug. 16. It will be held in Ruby's Woods forest preserve, between Ridgeland and Central avenues on 143rd st. The day will be devoted to judging exhibits brought to the fair by 4-H club members. It is a thrilling experience to see the project work carried out by our 4-H'ers. Plan to attend the fair. You will enjoy yourself and lend support to the 4-H club program. Admission is free.

A rather new development in Illinois is the storage of high moisture shelled corn in ordinary concrete silos. Farmers' experiences and University of Illinois research makes this method of corn storage look quite promising.

Grants Given to Student Nurses for Work at State Institutions

The shortage of professional nursing personnel has not only acutely affected general hospitals on the city and county level, but the pinch has also been felt for some time in Illinois' mental hospitals, Tinsley Park State Hospital superintendent pointed out.

The Illinois Department of Public Welfare, under the direction of Dr. Otto L. Bettag, in the past three years has been developing a forward-looking program of employment-education for training professional nursing personnel. The program has been moving toward the long-hoped-for goal of supplying a continuous number of qualified nursing personnel for employment in the state's 26 mental hospitals and schools.

Under the employment-education program for training of professional nursing personnel, the Department of Public Welfare has made provision for the education of student nurses in either hospital or college schools of nursing. The student nurses tuition, books, uniforms and fees relating to the prescribed program are financed from state funds in the form of a grant. The program provides for maximum of three years of professional training.

With such a program, the Department of Public Welfare hopes to alleviate the shortage of qualified nurses. Dr. John L. Cutler, Tinsley Park superintendent, said, "In the mental health field, the shortage has been particularly acute."

Tinsley Park State Hospital, as in the other mental hospitals and schools, have student recruitment committees for the purpose of aiding and working with interested students in the nursing profession. The individual hospital committees work with high school, church, and P.T.A. groups, as well as individuals, in supplying information and assistance concerning the program.

The age limits for qualifying students is from 17 to 35 (female or male). The student must be a high school graduate. The applicant must be a citizen of the United States and residing in the State of Illinois. The applicant must qualify for admission to an approved school or college of nursing.

A training grant of this sort requires the graduate nurse to accept employment as a staff nurse in one of the state mental hospitals or schools on

Reports Marked Industrial Gain in Chicago Area

(CNS) The Chicago metropolitan area is moving into a "better business climate."

This forecast is from the Chicago Association of Commerce and Industry which reports industrial development investments in the metropolitan area are running ahead of the 1957 level for the period January thru July. Industrial development investments announced in July totaled \$45,817,000. This more than doubled the previous high monthly figure this year \$22,676,000 in May.

The upturn in new plant construction and expansion "definitely denotes a better business climate ahead for this area," said Thomas G. Ayers, the association's vice president for industrial development.

Total investments for the first seven months this year were \$123,167,000 compared with \$120,131,000 in the corresponding 1957 period.

Among projects announced in July:

U.B.S. Chemical Corporation with headquarters in Cambridge, Mass., has acquired 20 acres on Old Archer road, 2.5 miles east of Lemont, for construction of a pilot plant for the production of polymer emulsions.

The plant will serve the adhesives and coating industries throughout the Midwest, and will be the corporation's first branch plant.

It is scheduled for completion in January, 1959. The pilot plant eventually will be a full scale production unit.

When a student is accepted by the Department of Public Welfare on an educational grant and by an approved nursing school or college, all tuition, books, uniforms and other fees are financed by the state grant. A monthly allowance of \$30 is paid to first year students, \$40-second year and \$50-third year. Upon graduation, nurses who have received educational grants will be employed at the same starting salary offered other graduate nurses in the Department of Public Welfare.

Visiting in the Amish Country

JOHN W. ALLEN
So. Illinois U.

Three weeks ago we visited the Amish country in Pennsylvania. An unexpected opportunity to revisit it came and two additional days have been spent in driving over the region about Lancaster, where the "plain people", also known as Pennsylvania Dutch, live. They people who cling closely to a way of life that has all but passed.

The return visit was particularly enjoyable since it came at threshing time. During our two days' tour, five threshing crews were found at work. The bundled wheat was being hauled on low-wheeled, horse drawn wagons from the fields of shocks to the threshing machine. One group smilingly gave us permission to take one of their light two-tined forks and pitch bundles to the young man loading the wagon.

After that a walk about the thresher showed the threshing operations. The noises heard were familiar. The cloud of dust that always clings about a thresher on still days was there with its distinctive odors. One thing was missing. This thresher had a self feeder and did not give us an opportunity to cut our first job with a threshing crew.

A large canvas-covered truck with a grain tight bed was being loaded with the threshed grain as it came from the machine. Instead of using the 'cyclone'

part of the machine to blow the straw into a stack, a conveyor was used to carry it to the hopper of an attached straw baler. Another conveyor carried the straw to a man who loaded it on the truck. Thus, no straw or litter was left at the site. It was indeed a clean and complete job they were doing. One feature of the threshing, particularly pleasing to the Amish farmers, was the high yield of grain. The field being threshed was yielding a good 45 bushels an acre. One threshed the previous day had given a 50 bushel average. There are record yields of more than 60 bushels.

After looking at their fine yields of wheat, corn, clover, potatoes, and tobacco, one wonders whether the Amish are great farmers because of the Pennsylvania hills and valleys where they live or whether Lancaster county is among the great agricultural counties of America because the "plain people" live and work there. We favor the latter conclusion.

The writer has seen a reasonably extensive section of the United States, but he has not seen any part of the country that is more impressive for high standards of general farming. The farm barns are enormous, well built and well kept. Farm homes are spacious, ordered and clean. The passerby pauses to look at the gardens and flower beds. Their lands

are well and strongly fenced as needed. Farm animals are sleek well-fed and kindly treated. There are many fine herds of beef and dairy cattle. A maze of roads cover the country.

A unique feature of the landscape is the great number of windmills seen against the skyline. There also are scores of small waterwheels along the spring for streams. These little wheels become especially interesting when one observes them spinning round and round thruout the day and night and tugging on long wires that lead to pumps at the house or barn. Sometimes these wires extend a quarter mile or more. These plain people have a bountiful water supply.

Nearly all the plain people, Amish and Mennonite, are farmers. A small proportion have turned to needed crafts. These are excellent blacksmiths, carriage builders, carpenters, and cabinet makers, along with a chair and clock maker whose lowest clock sells for \$240. Making only about 20 clocks a year, he had only one on hand, evidently his sample. The "Kentucky" rifle that older Southern Illinoisans knew so well was first made in Lancaster. The Conestoga wagon that carried a million settlers to the west also was made there. The pretzel industry in America began at a village in the Dutch country. Much of our folklore is that of the Pennsylvania folk. Perhaps we could borrow more from them.

the family tree which proved interesting to all. A special tribute was given, honoring two deceased members, Mrs. Anna Krapf of Peotone and John Stender of Indiana.

The oldest married couple present was Mr. and Mrs. Charles Homan of Joliet, who have been married 51 years; the oldest member was Jake Krapf; the youngest member was the five month old baby of Mr. and Mrs. Gene Krapf of Morris. The family with the most members present was that of George Krapf of Morris and the member coming the farthest distance was Jake Krapf of Zion.

At the business session the following officers were elected for 1959: Martin Krapf, Crown Point, Ind., president; Mrs. Walter Puggish, Joliet, secretary; Jake Krapf, Manhattan, treasurer; Marie and Marian Krapf, chairmen in charge of next year's reunion which will be held on the same date and in the same place.

In the afternoon ice cream was served to everyone which was furnished by Mr. and Mrs. Robert Glenn of New Lenox.

The Family Life circle will meet this evening, Aug. 14 in the home of Mrs. Norman Gill at 7:45 Mrs. V. Odom will have charge of the devotionals and the discussion will be led by Mrs. Ken Knickrehm. The Busy Homemakers Home Bureau met with Mrs. Rudolph Soucie at Beecher. This was a vacation meeting with an outdoor luncheon followed by a social afternoon enjoyed by the

Hold Blue Law Constitutional

(CNS)—South Holland's Blue Law banning display and sale of homes in the village on Sunday is constitutional, Circuit Judge Ezra Clark has ruled.

The decision is a defeat for Pacesetter Homes, Inc., and its president, Harry Quinn. It was the second time they challenged the law and lost.

In 1956, the year South Holland enacted its Sunday closing law, Circuit Judge John T. Dempsey rejected Quinn's motion for a temporary injunction to bar the village from preventing the firm from showing homes on Sunday. Quinn later dropped his lawsuit.

The company launched its second attack on the law last fall, several months after Circuit Judge Harry M. Fisher knocked out the ordinance only as it applied to three specific businesses—men who operate a motel, a restaurant, and a gas station in South Holland.

Quinn's attorney, Edward T. Havey, represented the three businesses who are fighting the village's appeal of the Fisher ruling before the Illinois Appellate court.

Havey said he'll appeal Quinn's defeat to the Illinois supreme court.

The two cases differ mainly in this respect: Judge Fisher held that the sale of food, medicine, and the availability of lodging are necessities of life and must be available to meet emergency needs on Sunday. Judge Clark said selling homes on Sunday isn't necessary to meet emergency needs.

Library Serves Many Interests at Hospital

A gradual increase in the use of foreign books and newspapers is reported by the Oak Forest hospital patients library in their quarterly report.

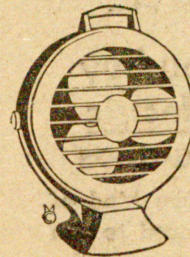

Subjects requested by the county's long term illness hospital, at 150th and Cicero, have been varied. Unusual fields of interest, satisfied by the library, are watchmaking and repairing, atoms, astronomy,

16 members and two guests present. The next meeting will be at the home of Mrs. George Heisner in Frankfort, Sept. 3.

Mr. and Mrs. Russell Kohlhagen and family of Rensselaer, Ind., visited with her parents, Mr. and Mrs. George Hasenjaeger Sunday after attending the Krapf reunion at Inwood Park, Joliet.

Candidates Busy on Vote Hunt as City Election Draws Near

By CHLOE WHITE
Phone SYcamore 8-6620

With election day just a little over a week away, Country Club Hills is taking on a more determined political air. Almost everywhere one looks posters heralding party rosters are in sight and an ardent partisan is never seen without his campaign button or car sticker in full sight.

The Achievement Party held its first public meeting in the homeowner's house last Friday night. All the candidates were present but two and each gave a short talk on their particular beliefs and aims for the new city government. This was followed by a question and answer period.

Next political activity took place last Sunday when the Suburban Life Party held a "Pancake Flip" in the Landenbergers back yard. Pancakes and sausages as well as coffee were served by the candidates to almost 150 hungry early risers and the candidates became very deft at pouring coffee or assisting small children while answering the questions of those who had come not only to feast but also for political information.

Their ways and means committee announces that a bake sale will be held Saturday, Aug. 16, thru out the development. Anyone interested in making a culinary donation may contact Robert Landeen, SY 8-6789, or Clyde Bennison, SY 8-5672.

Absentee ballots are available from Delores Kuznicki, 18471 Cicero ave. If you will be out of town election day one may cast an absentee ballot.

Civic Association
Walter E. Wiles, village attorney of Flossmoor and president of the South Cook County and Will County Association of Municipalities was the guest speaker at the last meeting of the Civic Association in the Homeowner's House.

An overflow crowd turned out to hear Mr. Wiles explain "The Obstacles to be Overcome in Setting Up a New Municipality."

Without a doubt, Mr. Wiles stated, the first problem to be faced is trying to run a city with no money.

He then explained the procedure of drawing up a tax appropriation ordinance with a definite breakdown of how the money will be spent. This must be filed as soon as possible after the election.

Each alderman should have a definite responsibility such as finance, fire, police or water etc. and these positions are assigned by the mayor. Each alderman then acts as head of his committee.

He also pointed out the necessity of having a planning commission to plan the future development of the land as well as a plan recorded in order to have jurisdiction over the unincorporated land within one and a half miles from the city limits. A zoning board of appeals, a quasi judicial body, as well as a zoning commission should be formed.

After the needs for regulations have been studied a traffic ordinance will be necessary as well as a parking ordinance and building, electrical and plumbing codes established.

Mr. Wiles stated that it is virtually impossible to run a city without some form of income other than that from building fees, traffic fees and dog licenses. Light industry or shopping facilities are the best sources of necessary revenue, he said.

Mr. Wiles gave a very comprehensive description of the problems facing the new city government and during the question and answer period stated that in the first city government someone with municipal experience would be most desirable as well as those with a civil or mechanical engineering background.

He closed with an invitation to join the Association of Municipalities, a group of 24 communities, mainly because so much can be learned from the experiences of others.

Fire Department
"Another success for the firemen" is the way everyone has summarized the "First Annual Fireman's Picnic" after a day of wonderful fun.

It was impossible to get the names of everyone who won prizes in the many races but Mark Wilson won the sack race for 6 and 7 year olds, Karen Nally and Dee McGrath won the three legged race, Tommy Miller won the boys sack race and Mary Alice Murray won the girls' sack race.

There was also a pie eating contest but the winner was unidentifiable so will have to be reported next week.

The civilians played the firemen in a wild baseball game but no one seems to know the final score.

The evening was climaxed by dancing under the stars after everyone had eaten their fill of the delicious charcoal grilled sandwiches and cold drinks.

Everyone went home tired but happy, eagerly awaiting the next fire department project.

United Christian Church
At the Sunday service a rosebud was placed on the altar to announce the arrival of Janet Lynn, daughter of Mary and Lee Sonne.

Everyone is eagerly awaiting the all church picnic to be held next Sunday in Tinley Creek woods, 142nd and Harlem.

Sunday school will begin at 10 a.m. followed by Church. Both will be held in the open. In the event of rain services will be held in the Homeowner's House as usual.

Each family is to bring their own picnic lunch (sandwiches or charcoal burner) as well as a salad or dessert to share. Ice cream will be provided. Races and games will follow and everyone is urged to dress for a picnic. Bring the entire family and enjoy the fun and fellowship.

The first group meetings of the Christian Women's Fellowship will be held at each group leaders house on Wednesday evening, Sept. 10th. The meetings will be held at each group leaders house. Members will be notified as to their proper group by mail.

The first general meeting of the CWF will be held Sept. 24.

Miscellaneous
Mrs. Elinor Naly, 17871 Anthony, has recently returned from a six week visit with her family in Cambridge, Mass.

Returning with her for a short vacation was her niece, Lois Sugrue, also of Cambridge.

Two neighbors on Baker street are sharing the same room in St. James hospital after the birth of their respective son and daughter last Saturday, Aug. 9.

First to arrive was the third son of Mr. and Mrs. Milford Bonner, 17801 Baker, named James Michael. The new brother of Billy and Bobby weighed 8' 15".

Shortly thereafter Elizabeth Ann Mitchell, third daughter of Mr. and Mrs. Robert Mitchell, 17800 Baker, made her appearance. The new sister of Greta and Stella weighed 9' 4 pounds.

Just returned from a two week vacation at Diamond Lake in Mundelein, Illinois is Mrs. Fred Pentzien and the children Denise 11 and Dwight 14. It was a trifle less than a vacation for Dwight who was

recuperating from a strep throat infection.

The Dell Forsgrens, 18041 Thomas, have Marge's brother Phil Rose, visiting from Indianapolis.

Debbie Davis, daughter of Mr. and Mrs. Rees B. Davis, 18150 Anthony, is chipper once again after having her tonsils removed last week at St. James hospital in the Heights.

The Don Wilson family has returned from a visit with both sets of grandparents. They first visited with Rusty's folks in Yellow Creek Lake, Ind. Then the two younger boys, John and Jefferson remained with their mother while Don took the two older boys Mark and Matthew to visit with his parents in Columbus, O.

Mr. and Mrs. James Irvine spent last weekend at a reunion of their old Air Force friends. Held in Fort Wayne, Ind. the reunionists (reunioners?) came from six states.

The Elmer Wulfs have returned from their vacation. Jane and the boys David, 3 and Mark 2½ left first for a visit with Jane's sister in Ramsey, New Jersey, a suburb of New York City. Then Elmer drove east and met the family who had come by train to Altoona, Pa. where they spent two weeks with Jane's folks.

From Cuba, Ill. Mr. and Mrs. Leo Clayberg have been visiting their daughter and son in law, Mr. and Mrs. Robert Lupien, 18145 Thomas Lane. The grandchildren Roger 5, Mark 3, and Timmy 1, had a wonderful time showing their grandparents the Brookfield Zoo as well as Midway airport.

Mr. and Mrs. Louis Duerinck 4641 185th st., have just returned from Dewey Lake near Dowagiac, Mich. The children Lou 4, Kathy 3, Kevin 2, and Mark 1, had a wonderful week just coming out of the water long enough to eat and sleep. Another new arrival over the weekend was Eric, fourth child and third son of Loran and Dollye Nordgren. The children Laurie, 8, Carl 7 and Bobby 3, are having a wonderful time enjoying the visit of their grandmother, Mrs. Hugh Wiseman of Greenville, Miss. who has come to look after them.

Well, as that lovable old cynic La Rochefoucauld once said, "The love of justice is simply, in the majority of men, the fear of suffering injustice."

Fini 'till next week

"WOW! How'd you like to have that around the house... nagging about this... gripping about that...?"

50 Members of Hyink Family at Reunion on Daniel Sass Farm

By VIRGINIA SASS
Phone New Lenox 3133

The annual Hyink reunion was held on Sunday at the home of Mr. and Mrs. Daniel Sass. A pot luck dinner was served picnic style. About fifty members of the family were present, coming from Hanover, Ill., Deerfield, Allegan, Dowagiac and Cassopolis, Mich., Palos Heights, Chicago, Joliet and Mokena.

Mr. and Mrs. Harrison Haley of Florida were visitors in the homes of Mrs. Arthur Lauffer and Mr. and Mrs. Charles Lauffer and Mr. and Mrs. Russel Lauffer during the past week.

Mr. and Mrs. Merton Tower of Boulder, Colo., were dinner guests Monday evening in the

home of Mr. and Mrs. Charles Sievert.

Mrs. Ethel Ruth of Bloomingdale, Mich., is spending a few days in the Harry Sproat home.

The Twelve Trumps met Wednesday night in the home of Mrs. John Riley. Prizes were awarded to Mrs. Margaret Volz, Mrs. Dora Been and Mrs. Selma Benck. This group was the former Jolly Neighbors Pinchle club, having recently changed their name. The September meeting will be held at the home of Mrs. Loren Sass.

Mrs. Gertrude Tesh, of Sioux Falls, S. Dakota is a guest

this week in the home of Mr. and Mrs. Charles Elliott.

Mrs. Howard Graening and son Billy of Glenrock, New Jersey, and Mrs. Herman Graening of Joliet were guests of Mrs. Robert Sproat Saturday afternoon.

Considerable damage was done to the automobile belonging to Mrs. Charles Ingram Sunday night. The car, which was parked in the Silver Cross hospital parking lot, was hit broadside by an unknown motorist.

Donald Fraser figured in an auto accident en route home from work last week. Considerable damage was done to his auto.

Mr. and Mrs. Clarence Rowley of Plainfield were guests of Mrs. Adella Sproat Sunday afternoon.

Mrs. Fletcher Binion and children and her mother Mrs. Lee Bird of LaHarre, Calif., spent a few days the past week with relatives at Belding, Mich.

Mr. and Mrs. Daniel Sass entertained at a steak fry at their home Monday evening. Guests were Mr. and Mrs. James McNichols and daughter Bonnie and Mr. and Mrs. Ed Chovan and daughter Janet of Joliet; Miss Jean Mitok of Beloit, Wis., and David and Douglas Vogt of Allegan, Mich.

Mr. and Mrs. Charles Sievert enjoyed an outing with a group of relatives on Tuesday at the Miller cottage on the Kankakee river.

Mr. and Mrs. Edward Sproat and daughter Bonnie, Glenn Sproat, Perry Bishop and Mrs. Ethel Ruth of Bloomingdale, Mich., attended the Kerr family reunion Sunday at Roscoe, Ill.

Mr. and Mrs. William Loucks and family were hosts at a family picnic Sunday in Haley Park. About 28 guests were present to enjoy a pot luck

dinner and the usual picnic activities.

Don Reid spent the weekend in Springfield where he judged the Rabbit show at the state fair. There were 750 entries in this show. Mr. Reid will judge the Rabbit show at the Wisconsin State Fair this weekend and on Aug. 27 and 28 he will be in Los Angeles, Calif., to judge at the California state fair.

On Aug. 10, 1921, the Navy's Bureau of Aeronautics was established to handle all matters "related to designing, building, fitting out, and repairing Naval and Marine Corps aircraft".

A barber in Marina, Calif., has been ordered to desist from "unfair inducements" in his shop by his union. He can no longer give lollipops to his child customers.

Susan Rockrohr, President Invites Teens to Join Club

By DOROTHY GOBLE
Phone KELlogg 2-3696

Susan Rockrohr, president of the Southlands Teen club, welcomes new members between the ages of 12 to 19 years, to join the membership and take part in the activities of the club.

She reports that the teen agers plan to have another hay ride before school begins, also that the purpose of the club is to keep the teenagers engaged in healthful activities.

A large amount of credit should be given to our teenagers and especially to the officers, for their ability of holding and enlarging the group.

Mr. and Mrs. Ed Holz and family spent four days in Rochester, Ind. Although the fish were not biting, Mrs. Holz had a good deal of fun sidewalk dollar day sales.

Brothers David and Ray Goble the past week, enjoyed the company of cousin Marvin Fuller from Chicago.

Mr. and Mrs. Ed Waldrop and family and Mr. and Mrs. John Hündly and family have for the past weekend enjoyed a visit from their parents, Mr. and Mrs. Harry McConkey, from Marion, Ill.

Mr. and Mrs. Sam Wolfson of Miami, Fla., is presently visiting their children Doris and Leonard Wolfson. They hope to visit here the rest of the month.

This past week, the job of black topping the school grounds was completed. The school board is working steadily preparing for the welfare and safety of our children.

It was reported that Elmer Knudsen, mayor of Tinley Park has stated one of the three streets in the subdivision requesting annexation to the village, has officially been accepted. He did not reveal which street.

Tax Time Again
Margaret Loebe, tax collector for Orland township, will be at the Kirby school Aug. 20 and 27, from 7 to 9 p.m. to collect the second installment on the 1958 real estate taxes.

The permanent address of the Southlands Property Owners Association will be 17250 Ozark ave., where a mail box is located to receive mail daily.

The streets in the subdivision have been graded as requested by a committee of the Association two weeks ago. Carl Bormet, road commissioner, advises that streets will be blacktopped early next year.

At the Association meeting last week, Harry Trevarthen, executive secretary of the Tinley Park Chamber of Commerce, presented valuable information relating to the building of a swimming pool giving statistics and the finances involved in such a project.

It was reported by Al Richards, one of the investigating committee, that a swimming pool, 20x40 feet could possibly be handled by setting up a small corporation and selling stock. The basic price for materials was quoted between nine and ten thousand dollars. Should 60 of the 100 families in the community invest \$50 in the stock, a bond could possibly be floated to cover the balance.

Richards will confer with Trevarthen to discuss further details of the project.

What are we prepared to do about the evident increase in our population?

We cannot sit snugly in our homes and be evasive to the needs of our community.

Hot Weather Hints for Motorists

The Motor Club offers the following tips for your physical comfort while driving in hot weather:

1. When parking your car, select a shady spot. You'll find it cool when you return.
 2. Leave the windows open just a crack at the top when parking. This will permit circulation of fresh air while you're away.
 3. Wear lightweight clothing that doesn't irritate the skin or interfere with circulation of the blood. Avoid tight fitting garments.
 4. Avoid alcoholic drinks.
 5. Take frequent rests on long trips.
 6. Don't overcrowd your car. Body heat will cause everyone to be hot and irritable.
- If all these fail, try to think about a tour of our 49th state, Alaska.

"Y" Boys, Girls Rehearse for Athletic Drill

Five hundred boys and girls attired in T-shirts and shorts will stage a colorful mass calisthenics and gymnastics demonstration during the 29th annual Chicagoland music festival, at Soldiers Field, Aug. 23.

The youth will represent 25 departments of the Young Men's Christian Association of Metropolitan Chicago. Approximately 30 will take part from the Harvey YMCA.

They will demonstrate their skill on the trampoline and parallel bars and further show techniques of tumbling and building ladder pyramids on the Soldiers Field grass.

Following the gymnastics exhibition Richard Snoddy, assistant physical education director at 111th Street YMCA, 4 E. 111th street, will put the youth thru a precision calisthenics drill similar to that which they performed at the YMCA's 100th birthday stage spectacular titled, "Y's Up", held March 22, at the International amphitheatre.

Next Thursday, Aug. 21, the young people will gather at Soldiers Field for a citywide rehearsal.

These needs are very prominent and must be faced with reality, not with indifference. Our children must be given the necessary educational and recreational facilities.

As parents, we have a responsibility to them, to build together for a happier community. By building for our children we in turn build up our community. A handful of men and women cannot carry our responsibilities, or give our children what is lacking.

If all residents would take an active interest in the civic affairs of the community, and work together for its betterment, a great deal could be accomplished. Your attendance at the Association meetings is welcomed.

(Ed. Note) Mrs. Goble is the new correspondent for the Southlands, and she will welcome your news and personal items. Help her to make your column an interesting one.

ICC Puts OK on Line to Transmit Nuclear-Born Power from Dresden

Homer

King's Daughters Hold Silver Tea Friday, Aug. 15

By ELIZABETH B. ANDERSON
Phone Lockport 886-W-2

(CNS)--Construction of a 44-mile 138,000 volt electrical transmission system from the Dresden nuclear power station under construction in Grundy county to Commonwealth Edison's sub-station in McCook has been authorized by the Illinois Commerce Commission.

Approval was sought at hearings last month before the ICC in Chicago.

The line will pass thru Cook, DuPage, Will, Kendall, and Grundy counties and Lyons, Lemont, Downers Grove, DuPage, Lockport, Plainfield, Troy, Seward, Aux Sable, and Goose Lake townships.

The line, to transmit electric power generated at the atomic plant, will also pass thru the municipalities of McCook, Summit, Willow Springs, Hodgkins, and Minooka.

Edison proposes to begin construction of the \$1,610,000 transmission line in August, 1959, and expects to complete it by May, 1960.

The nuclear power plant is being constructed by the Atomic Energy Commission at a cost of \$45 million. The plant, at the junction of the Des Plaines and Kankakee rivers in Grundy county, will be completed about the end of 1960.

The power line, supported by 80-foot wooden poles and 100-foot steel towers will be constructed on Edison's existing right of ways.

Existing power lines at McCook would eventually bring the electricity from the atomic plant to Chicago.

Plans were completed Thursday for the silver tea which the Wayside Workers' circle of The King's Daughters will sponsor at Homer church Friday, Aug. 15. Mrs. F. J. Padock, Mrs. Henry Rodgers and Mrs. E. A. Cary will be in charge of table arrangements.

Mrs. Hanson is directing the one act play to be given by the P. F. girls, Mrs. Iola Storm is general chairman.

Each member is to furnish cookies. The public is invited. Proceeds will be used for King's Daughters' projects.

Eugene Ponkauskas, who has been in training at Lackland Air Force base, San Antonio, Texas, has recently been transferred to Shepherd Air Base at Wichita Falls, Texas. He is in the Jet Mechanics department.

Rev. and Mrs. Roy Hanson visited his brother in Missouri two days last week.

Mr. and Mrs. John Garabrand are the parents of a son born in St. Joseph's hospital Aug. 6. He weighed seven lbs. 12 oz. and will be a playmate to his sister, Leah. Their mother is the former Carol Burch.

William Clements, Gougar Rd. has been hospitalized during the past week.

HOMER FIRE-FLIES
An enthusiastic meeting of the reorganized 4-H club was held in the Homer church recreation rooms Wednesday evening.

Alden Hickman, assistant farm adviser, was present to help direct activities, also several parents attended. Projects were discussed and the name, Homer Fire-Flies, was decided upon.

Wayne Parker exhibited a Holstein Friesian heifer at the F. F. A. fair at Ottawa last week.

Seven people received baptism at Homer church last Sunday. The adult group included Mesdames Delores Reiter, Arlene Welter and Gloria Weeks. The children were Karfen Lee Reiter and Christine Blanche Reiter, Bruce Mitchell Fleck and Cynthia Hope Fleck.

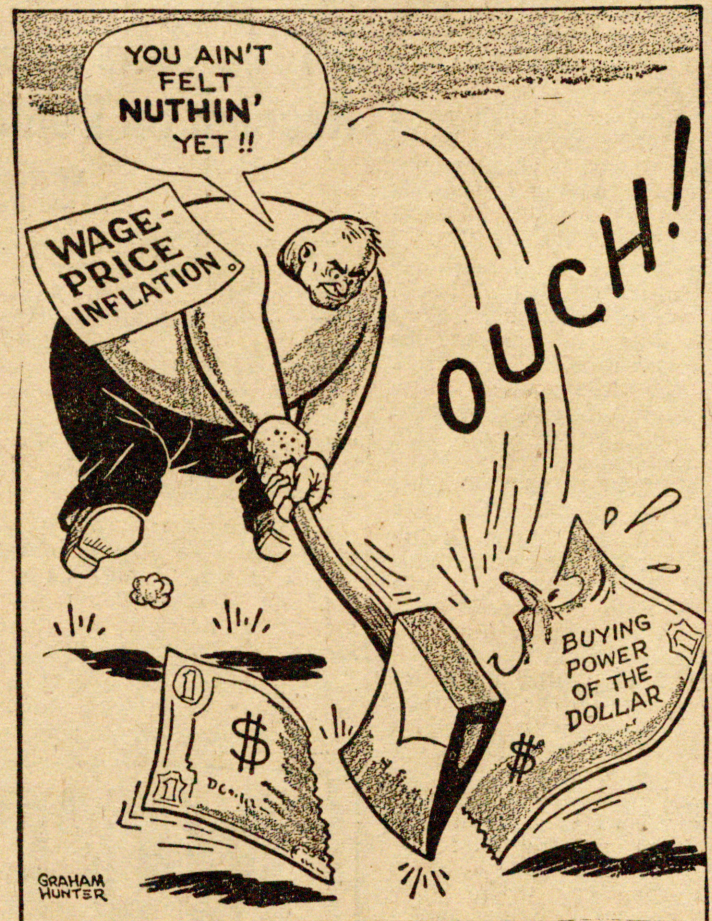

Ruth Vancil has returned to her home in Downers Grove after spending a week with her grandmother, Mrs. Ira Anderson and other relatives here.

Mrs. Eugene Anderson and daughter, Betty, were Chicago shoppers Thursday.

Mrs. Emil Burnworth Bruce road, president of the local Marine Corp auxiliary was appointed to the state office of Guard at the recent state convention held in Joliet.

Early in September, Mrs. Burnworth will visit her son, Larry, who is with the mar-
